We all have the same 12 notes.... It's how and when we play them that sets the masters apart from the amateurs. We all know it's important to learn the licks and vocabulary of the musicians who we wish to emulate, but in order to develop a unique voice we must learn how to phrase our lines in a personal way. Melodic Phrasing teaches you hundreds of ways to treat even simple lines to make the music your own.

Whether you want a complete method to learn blues guitar or just a set of 100 excellent blues guitar licks, this book has you covered. Most guitarists stay locked into the same patterns and scale shapes for years, unable to break out of the habits and licks they first learnt as a beginner. This leads to creative stagnation, boring solos and a sense that something will always be missing from their playing.
