Since cabinets occupy most of the area in the kitchen, the walls are a good bet for adding a splash of bold colour that brightens up the space. The backsplash tiles are another option. Our recommendations for bold tones among the trendy kitchen wall colours 2018: yellow, orange or red as these colours also stimulate the appetite.

The best part? All of our kitchen wall panels are extremely hygienic. Unlike traditional tiles where grouting forms a breeding ground for bacteria, the PVC surface of our kitchen panels restricts any germ, dust or bacteria collection. Our kitchen panels have a unique tongue and groove system, making installation a dream.

"I think ombre tiling will be huge for 2018. Rather than purchasing tiles all one colour, the vast variety and colourways of tiles available these days means that people can be much more creative. Tiles laid with a darker colourway at the bottom, then moving up the wall or across the floor to a lighter colourway makes a huge statement and is really effective." ~ Melanie Lissack, Melanie ...
