"Eleanor Fitt flees to Europe to seek the help of the Spirit-Hunters after a villain from her past resurfaces, only to find that, in Paris, there's a new kind of evil lurking"--

Perfect for fans of Libba Bray's *The Diviners* and Cassandra Clare's *The Infernal Devices* series, this spellbinding sequel to *Something Strange and Deadly* delivers a mix of supernatural forces and intense romance, set against the enchanting backdrop of nineteenth-century Paris. With her brother dead and her mother insane, Eleanor Fitt is alone. Even the Spirit-Hunters—Joseph, Jie, and the handsome Daniel—have fled to Paris. So when Eleanor hears the vicious barking of hounds and sees haunting yellow eyes, she fears that the Dead, and the necromancer Marcus, are after her. To escape, Eleanor boards a steamer bound for France. There she meets Oliver, a young man who claims to have known her brother. But

Oliver harbors a dangerous secret involving necromancy and black magic that entices Eleanor beyond words. If she can resist him, she'll be fine. But when she arrives in Paris, she finds that the Dead have taken over, and there's a whole new evil lurking. And she is forced to make a deadly decision that will go against everything the Spirit-Hunters stand for. In Paris, there's a price for this darkness strange and lovely, and it may have Eleanor paying with her life.

Sixteen-year-old Eleanor Fitt 's brother is missing. And when she discovers that the Dead are rising in Philadelphia and wreaking havoc throughout the city, she knows that her brother is involved. So Eleanor enlists the help of the Spirit-Hunters. This motley crew, hired to protect the city from supernatural forces, is after the necromancer who has been reanimating corpses. Their skills can save her brother. But as Eleanor spends time with the Spirit-Hunters, and their handsome inventor, Daniel, the situation becomes dire. Now not only is her reputation at risk, but her very life may hang in the balance. In *Something Strange and Deadly*, the first book in a trilogy, Susan Dennard weaves together vividly imagined scenes of action, adventure, and gorgeous Victorian fashion to create an entertaining steampunk tapestry of humor, horror, and romance. Readers who love Cassandra Clare 's *Infernal Devices* series will be intrigued from the start.

A 2015 William C. Morris YA Debut Award Finalist Magical realism, lyrical prose, and the pain and passion of human love haunt this hypnotic generational saga. to understand her peculiar disposition and a growing desire to fit in with her peers, sixteen-year old Ava ventures into the wider world, ill-prepared for what she might discover and naive to the twisted motives of others. Others like the pious Nathaniel Sorrows, who mistakes Ava for an angel and whose obsession with her grows until the night of the summer solstice celebration. That night, the skies open up, rain and feathers fill the air, and Ava ' s quest and her family ' s saga build to a devastating crescendo. First-time author Leslye Walton has constructed a layered and unforgettable mythology of what it means to be born with hearts that are tragically, exquisitely human.

Catherine Daly's ability to awaken the dead for a final goodbye goes awry when she and Guy Nolan, the watchmaker's son, seek a watch but find, instead, a boy whose return from the dead draws danger to the three.

depths of the Devil ' s Forest. Only this year, the Slaughter Moon has risen early. Bound by duty, secrets, and the love they share for one another, Mairwen, a spirited witch; Rhun, the expected saint; and Arthur, a restless outcast, will each have a role to play as the devil demands a body to fill the bargain. Perfect for fans of Cassandra Clare's The Infernal Devices series, this is the explosive conclusion to Susan Dennard's trilogy, which started with Something Strange and Deadly and continued with A Darkness Strange and Lovely. With supernatural forces, epic romance, and a mysterious Egyptian city, Eleanor and her team are set for an adventure they will never forget. It has been a tumultuous time for Eleanor Fitt since life as she knew it in Philadelphia came abruptly to an end. Although the Spirit-Hunters—Joseph, Jie, and Daniel—have helped her survive, Eleanor has lost just about everything. And now, Jie is missing—taken by the evil necromancer Marcus. Eleanor is determined not only to get her back but to finally end this nightmare. To do so, she must navigate the hot desert streets of nineteenth-century Egypt amid the rising Dead, her unresolved feelings for Daniel, and her volatile relationships with Joseph and Oliver, her demon. And it won't be easy. Because Allison, her friend from Philadelphia, has tagged along, becoming strangely entangled in Eleanor's mission. It will take all of Eleanor's powers of black magic, and all of Daniel's and Joseph's trust, to succeed. But there will be a price.
