Arriving in the United States with nothing as a refugee, Charles Mwumvaneza has labored for years to have his incredible story heard. An unusual survivor of the infamous Rwandan genocide of 1994, Charles was marked for death and persecuted by individuals on both sides of the country's civil war. Though he opposed the artificial division of his country by colonialists into fictitious "tribes," Charles nevertheless possessed features from both groups. As members of Rwanda's Tutsi minority were exterminated by the thousands, Charles' hometown became a killing field as he and his wife Jeanne were hunted and chased for weeks on end by armed militias, their home and family destroyed. Charles was forced to rely on unlikely allies, torturous hiding places, and his newly-rediscovered faith in order to stay alive, desperate to outlast the genocide and reunite what remained of his family. After a shocking series of tragedies and miracles, he reaches safety at the U.N. controlled National Stadium. But at what cost? Charles discovers that for some, the end of the genocide doesn't mean the end of injustice, and that the narrative forced by the media and by politicians does not always reflect reality. I SAW THE DEVIL, I SAW GOD is a disturbing but true look into human atrocities and international politics. But it is also a story of hope and faith; of God's mercy and human kindness shining forth in a place overwhelmed by evil.

Revealing Abba in the Psalms Book 1 covers Psalm 1 through Psalm 41 I think one of the most important and under-emphasized parts of Jesus' ministry was to reveal the Father. In John 1:18 it says: No man hath seen God at any time; the only begotten Son, which is in the bosom of the Father, He hath declared Him. The bosom speaks of the heart of God. Jesus, the Word made flesh came from the very heart of God to reveal Him as Abba. We can look unto Jesus the Word of God to see the Father as Abba and see the good view and opinion that Abba has of you in Him; and the very cry of the Spirit within us is "Abba Father!" The question I began to ask Jesus was, "How did You see God as Abba in the scriptures," when no one else for 4000+ years of recorded history had seen Him that way? Shouldn't we now through the Spirit, knowing the end from the beginning, be able to see what Jesus saw? Since David was described as a man after God's own heart (Jesus), I thought the Psalms would be a great place to start looking. These writings were birthed from that question.

The true story of an ordinary boy's most extraordinary journey following a car accident that left him paralyzed offers new insights on miracles, life beyond this world and the power of a father's love.
