Amazon.co.uk:Customer reviews: A Reporters Life
That's pretty much over today. For better or worse, news reporters live in a kind of "bubble" whereby the newsroom is closed off to the general public. Reporters tend to deal strictly with official government spokespersons for their information, and rarely spend the night time hours cultivating unique and different sources.

Also, as a reporter you're often pressured to see things or present things in ways that show a government, a personality or a company in a light that is better than the actual truth. You have to be strong to resist such pressure. You also have to be fair-minded and keep your own opinions out of what you write.
