Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Hands-on activities, games, and crafts introduce children to the diversity of Native American cultures and teach them about the people, experiences, and events that have helped shape America, past and present. Nine geographical areas cover a variety of communities like the Mohawk in the Northeast, Ojibway in the Midwest, Shoshone in the Great Basin, Apache in the Southwest, Yupik in Alaska, and Native Hawaiians, among others. Lives of historical and contemporary notable individuals like Chief Joseph and Maria Tallchief are featured, and the book is packed with a variety of topics like first encounters with Europeans, Indian removal, Mohawk sky walkers, and Navajo code talkers. Readers travel Native America through activities that highlight the arts, games, food, clothing, and unique celebrations, language, and life ways of various nations. Kids can make Haudensaunee corn husk dolls, play Washoe stone jacks, design Inupiat sun goggles, or create a Hawaiian Ma'o-hauhele bag. A time line, glossary, and recommendations for Web sites, books, movies, and museums round out this

multicultural guide.

A comprehensive reference to Asian American history reveals the key events and personalities while also exploring the historical debates that rage around their interpretation.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

2020 American Indian Youth Literature Young Adult Honor Book 2020 Notable Social Studies Trade Books for Young People, selected by National Council for the Social Studies (NCSS) and the Children's Book Council 2019 Best-Of Lists: Best YA Nonfiction of 2019 (Kirkus Reviews) · Best Nonfiction of 2019 (School Library Journal) · Best Books for Teens (New York Public Library) · Best Informational Books for Older Readers (Chicago Public Library) Spanning more than 400 years, this classic bottom-up history examines the legacy of Indigenous peoples' resistance, resilience, and steadfast fight against imperialism. Going beyond the story of America as a country "discovered" by a few brave men in the "New World," Indigenous human rights advocate Roxanne Dunbar-Ortiz reveals the roles that settler colonialism and policies of American Indian genocide played in forming our national identity. The original academic text is fully adapted by renowned curriculum experts Debbie Reese and Jean Mendoza, for middle-grade and young adult readers to include discussion topics, archival images, original maps, recommendations for further reading, and other materials to encourage students, teachers, and general readers to think critically about their own place in history.

Now part of the HBO docuseries "Exterminate All the Brutes," written and directed by Raoul Peck 2015 Recipient of the American Book Award The first history of the United States told from the perspective of indigenous peoples Today in the United States, there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed

Download Free American History Section 1 Guided

historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples' Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, *An Indigenous Peoples' History of the United States* is an essential resource providing historical threads that are crucial for understanding the present. In *An Indigenous Peoples' History of the United States*, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: "The country can be rid of them only by exterminating them." Spanning more than four hundred years, this classic bottom-up peoples' history radically reframes US history and explodes the silences that have haunted our national narrative. *An Indigenous Peoples' History of the United States* is a 2015 PEN Oakland-Josephine Miles Award for Excellence in Literature.

This two-volume study guide has approximately 1,700 questions: 1,400 multiple-choice and true/false questions (approximately 50 per chapter), and almost 300 essay questions (about 10 per chapter). The guide includes definitions of key terms and chapter review questions.
