Comprehensive study guides including key topics, chapter notes section, true/false and multiple choice questions with answer key, map evaluation exercises, and essay questions.

“ A great American success story . . . an endearing and well-written book. ” —The New York Times Book Review Colin Powell is the embodiment of the American dream. He was born in Harlem to immigrant parents from Jamaica. He knew the rough life of the streets. He overcame a barely average start at school. Then he joined the Army. The rest is history—Vietnam, the Pentagon, Panama, Desert Storm—but a history that until now has been known only on the surface. Here, for the first time, Colin Powell himself tells us how it happened, in a memoir distinguished by a heartfelt love of country and family, warm good humor, and a soldier's directness. My American Journey is the powerful story of a life well lived and well told. It is also a view from the mountaintop of the political landscape of America. At a time when Americans feel disenchanted with their leaders, General Powell's passionate views on family, personal responsibility, and, in his own words, "the greatness of America and the opportunities it offers" inspire hope and present a blueprint for the future. An utterly absorbing account, it is history with a vision. Praise for My American Journey “ The stirring, only-in-America story of one determined man's journey from the South Bronx to directing the mightiest of military forces . . . Fascinating. ” —The Washington Post Book World “ Eloquent. ” —Los Angeles Times Book Review “ Profound and moving . . . Must reading for anyone who wants to reaffirm his faith in the promise of America. ” —Jack Kemp, The Wall Street Journal “ A book that is much like its subject—articulate, confident, impressive, but unpretentious and witty. . . . Whether you are a political junkie, a military buff, or just interested in a good story, My American Journey is a book well worth reading. ” —San Diego Union Tribune “ Colin Powell's candid, introspective autobiography is a joy for all with an appetite for well-written political and social commentary. ” —The Detroit News

PLEASE NOTE: This is a summary and analysis of the book and not the original book. If you'd like to purchase the original book, please paste this link in your browser: <https://amzn.to/2Xb14oX> In *The Truths We Hold*, Democratic senator and presidential candidate Kamala Harris uses her life experiences to talk about the wide-ranging issues dearest to her, issues she has relentlessly fought for through her public service career and continues to do as she launches her campaign to become the first female president of USA. What does this ZIP Reads Summary Include? - Synopsis of the original book - Chapter-by-chapter summaries - Key themes from each chapter - An overview of Harris's presidential platform - Details from her life and childhood as child of immigrants in America - Editorial Review - Background on Kamala Harris About the Original Book: Through her career as a lawyer and a politician, Kamala Harris has taken a strong stance on social and economic reform and never hesitated to fight for ideals she believes make America a great country. *The Truths We Hold*, released to coincide with her campaign to win the Democratic Party's nomination for the 2020 presidential election, is a heart-to-heart account of the experiences that have shaped her convictions and the reasons why our collective struggle for equality and dignity for all needs to continue as strong as ever. DISCLAIMER: This book is intended as a companion to, not a replacement for, *The Truths We Hold: An American Journey*. ZIP Reads is wholly responsible for this content and is not associated with the original author in any way. Please follow this link <https://amzn.to/2Xb14oX> to purchase a copy of the original book. Active Reading Note-Taking Guide, Student Edition

From one of America's most inspiring leaders, a book about the core truths that unite us and how best to act upon them, The daughter of immigrants and civil rights activists, Senator Kamala Harris was raised in an Oakland, California, community that cared deeply about social justice. As she rose to prominence as one of the political leaders of our time, her experiences would become her guiding light as she grappled with an array of complex issues and learned to bring a voice to the voiceless. Now, in *The Truths We Hold*, she reckons with the big challenges we face together. Drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, she communicates a vision of shared struggle, shared purpose, and shared values as we confront the great work of our day. Book jacket.

Describes one Honduran boy's difficult and dangerous journey to find his mother, who had made the trek northward to the United States in search of a better life when Enrique had been five years old, but who had never made enough money to return home for her children, in a poignant account that addresses the issues of family and the implications of illegal immigration. Reprint. 30,000 first printing.

The former Secretary of State recalls his youth, his military service, and his rise to the heights of America's political and military elite.
