~~An Introduction to English Morphology~~
~~by Ali Alhaj (2016 ...~~

"For English, [morphology] means devising ways of describing the properties of such disparate items as a, horse, took, indescribable, washing machine, and antidisestablishmentarianism. A widely recognized approach divides the field into two domains: lexical or derivational morphology studies the way in which new items of vocabulary can be built up out of combinations of elements (as in the case ...

~~Definition and Examples of English Morphology~~

This is the first near-exhaustive introduction to the burgeoning field of morphology in generative grammar. Presupposing very little prior knowledge of linguistics, the book guides the reader from absolute basics to the most recent
