Top Notch Fundamentals Pronunciator; Level: Top Notch Fundamentals The purpose of the Pronunciator is to remove doubts about the pronunciation of any proper nouns that appear in the Top Notch Student's Books but that are not heard on the Class Audio Program; for example, names of people or places that appear in grammar exercises or illustrative material.

Haunted all her life by feelings of terror and emptiness, forty-nine-year-old Urania Cabral returns to her native Dominican Republic - and finds herself reliving the events of 1961, when the capital was still called Trujillo City and one old man terrorized a nation of three million. Rafael Trujillo, the depraved ailing dictator whom Dominicans call the Goat, controls his inner circle with a combination of violence and blackmail. In Trujillo's gaudy palace, treachery and cowardice have become a way of life. But Trujillo's grasp is slipping. There is a conspiracy against him, and a Machiavellian revolution already underway that will have bloody consequences of its own. In this 'masterpiece of Latin American and world literature, and one of the finest political novels ever written' (Bookforum), Mario Vargas Llosa recounts the end of a regime and the birth of a terrible democracy, giving voice to the historical Trujillo and the victims, both innocent and complicit, drawn into his deadly orbit.

"What are your weaknesses?" is the most commonly asked interview question but what's common does not necessarily mean to be simple. Neither can you tell your weakness nor can you say that you suffer with none. So what to say when nothing seems correct and certainly you can't leave it unanswered. This book brings together all such questions, which are specifically made to trick a candidate into a rejection, yes, a rejection. Interview is a process of elimination or rejection and not selection. An interviewer keeps rejecting until he reaches the best candidate available. But how does he do that? The answer is simple i.e. through a series of organized questions which are created after psychological and real life research and experience and trust me; no matter how good you are, if you are not prepared for each of these questions before meeting your recruiter, 95% chances are you won't be able to make it. In order to make it to your dream job, one must not only know what to say but more importantly, must also know what not to say. This book equips you with the technique to handle such questions with ease and show your recruiter that you are prepared for any challenge whatsoever. Every question is explained according to the expectation of recruiter, and the message a recruiter perceives from the wrong or improper answers along with sample answer from real life interview scenarios.
