After a day of watching his strongest sandcastles washed away by a sea that refuses to obey him, Jack wishes for a real castle in which he is king, and that night his wishes come true.

Nelson Handwriting contains six workbooks for infants and five full colour pupil books, one for each year group. The books are sequenced for progression and contain three levels of differentiation designed for a wide range of abilities. The books introduce, teach and develop the technical aspects of key handwriting skills in meaningful, relevant language contexts. They have been organized in such a

way that you can teach handwriting to the whole class, groups and individuals. They contain increased provision for the early years, introducing exit flicks from the beginning, provides structured units which offer a teaching focus point followed by opportunities for practice and gives support and extension copymaster options. They contain improved assessment provision which helps to assess progress and encourages pupils to monitor their own development.
