## SQA - NQ - Past papers and marking instructions

Advanced Programme Mathematics (AP Maths) is offered by the IEB as a certified exam and is quality assured by Umalusi. The exam is written by learners in their Grade 12 final exams but the programme has been designed to be taught over three years from grades 10 to 12 in order to build the necessary foundation of knowledge in advance.

## Advanced Programme Mathematics | Advantage Learn

Search for modified papers. We only publish question papers and mark schemes for some current specifications, in the year following the exam. See what's available when for more information. Some question papers and mark schemes are no longer available after three years, due to copyright restrictions (except for Maths and Science). Teachers can get past papers earlier, from 10 days after the exam, in the secure key materials (SKM) area of our extranet, e-AQA .

## IEB Grade 10 Exam Papers | Teenactiv

This publication covers solutions to CSEC Mathematics Past Papers for January and June examinations for the period 2005-2019. Some solutions are deliberately expressed in more detail than what is usually required at an examination level, so as to enhance a deeper and fuller understanding of the mathematics involved. In some cases alternative methods in solving the question are deliberately shown so as to assist in further revision.
