Get up and running with French Easy French Step-by-Step proves that a solid grounding in grammar basics is the key to mastering a second language. You are quickly introduced to grammatical rules and concepts in order of importance, which you can build on as you progress through the book. You will also learn more than 300 verbs, chosen by their frequency of use. Numerous exercises and engaging readings help you quickly build your speaking and comprehension prowess.

This important and accessible book identifies the key elements in the quest for best practice in online language teaching. The authors, all of them international experts who have made significant contributions to the debate about how to exploit the new technologies, consider online language teaching from three crucial perspectives: design, tools and pedagogy. Their recommendations are such that they can actually be realised in spite of the limitations of today's educational environments. The book demonstrates that the new technologies offer far greater potential for authentic encounters and constructivist learning than even the best classroom simulations; that automated exercise and feedback structures can be individualised and meaningful; and that if we have to teach fully by distance, these ventures no longer need to represent impoverished versions of live classes but can engender a strong sense of community. To achieve this we need to understand what elements constitute good design both in technical and pedagogical terms, to think seriously about providing the best feedback possible, and to have the courage to take the risks associated with letting go of

traditional learner/teacher relationships.

"A giraffe struggles to feel comfortable with his neck"--

A work of unparalleled candor and splendorous beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

Erika Fleury vit à temps plein son rôle de mère depuis quelques années. Engagée dans cette course folle qu'est le quotidien, elle a appris à ses dépens que la maternité exige bien des sacrifices, et envie les femmes qui réussissent à se consacrer à leur carrière. Un vieux rêve refait surface à l'occasion, lui rappelant qu'elle a déjà eu des aspirations bien à elle... Le moral est à son plus bas pour la

jeune femme, qui a grand besoin d'évasion. Sur un coup de tête, elle propose à son conjoint Philippe de l'accompagner pour une escapade dans le Sud, mais il préfère passer ses vacances à la maison avec leurs deux filles. Se sentant incomprise par celui qu'elle considère comme l'homme de sa vie, Erika convainc alors ses soeurs Esther et Sybelle de partir avec elle. Sous le chaud soleil de la Riviera Maya, les surprises, les moments cocasses et insolites ainsi que les possibilités d'aventures se succéderont. Etourdie par les vapeurs de margarita et les corps d'hommes virils et bronzés, Erika s'efforcera de demeurer lucide et de garder à l'esprit ce qu'elle désire réellement. Si au moins Philippe pouvait être là, il la séduirait encore et encore tout en la faisant vibrer par ses élans de tendresse. Auprès de celui qu'elle aime, Erika aspire à devenir une femme entière, une femme capable de vivre intensément sa vie et ses passions, telle l'héroïne d'un grand roman d'amour... Sandra Lane a complété des études en littérature française et en gestion, pour ensuite travailler en enseignement avant de se tourner vers les ressources humaines. Après son roman Partir pour oublier... un salaud, elle livre ici le dernier volet d'une trilogie pour âmes romantiques seulement.

Drawing the Head for Artists is the definitive modern guide to drawing the human head and portrait, featuring the classic mediums and methods of the Old Masters. Written by celebrated portrait artist and veteran studio instructor Oliver Sin, this richly informative and beautifully illustrated volume leads readers step-by-step through his method, from establishing a point of view to applying the timeless principles for creating an accurate and expressive likeness. Among the topics covered: Essential Materials & Techniques: Learn about necessary supplies and basic drawing techniques, including hatching, various stroke styles, and blending. Applying the Essentials: Explore how the concepts of sight-sizing,

value, negative space/shapes, and plane changes factor into a portrait's underlying structure. Techniques for Creating Depth & Dimension: Investigate how contrasting shapes, overlapping forms, and linear and atmospheric perspective are used to enhance depth. Creating the Illusion of Three Dimensions: Examine how edges—contours as well as changes in value—are used to convey three-dimensional form. Brimming with striking images that document all the phases and details of the author's process, Drawing the Head for Artists inspires and informs all artists, from aspiring to accomplished, on how to successfully portray the physical subtleties and emotional eloquence of the human face. The For Artists series expertly guides and instructs artists at all skill levels who want to develop their classical drawing and painting skills and create realistic and representational art.
