renowned MIT Sloan School of Management and the Central Bank of Malaysia. The vision is simple, to be a regional platform and hub which creates highly knowledgeable, principled, transformative, and market-ready leaders for corporations in Asia.

## ~~The Importance of Collective Leadership~~

Youth leadership includes both transactional and transformational leadership. Transactional leadership includes the skills and tasks related to leadership, such as public speaking and decision making. Transformational leadership includes the process of leadership. It focuses on the personal qualities of leadership.

## ~~MODULE #5: Defining Leadership Styles~~

Authoritarian leadership is best applied to situations where there is little time for group decision-making or where the leader is the most knowledgeable member of the group. Lewin's study found that participative leadership, also known as democratic leadership, is generally the most effective leadership style.

## ~~The Styles of Leadership: A Critical Review~~

Transactional Leadership Theory was first muted by Max Weber in 1947 and followed up by Bernard Moss in 1981. Transactional Leadership Theory is, as the name suggests, about a transaction between the leaders and their followers.

## ~~5 Major Leadership Theories | The Followership Question ...~~

The bureaucratic leadership style focuses on fixed duties within a hierarchy where each employee has a set list of responsibilities, and there is little need for collaboration and creativity. This leadership style is most effective in highly regulated industries or departments, such as finance,
