What is Background in a Research Paper? - Enago Academy

Definition. Background information identifies and describes the history and nature of a well-defined research problem with reference to the existing literature. Background information in your Introduction should indicate the root of the problem being studied, its scope, and the extent to which previous studies have successfully investigated the problem, noting, in particular, where gaps exist that your study attempts to address.

Organizing Academic Research Papers: Background Information

The background information should indicate the root of the problem being studied, appropriate context of the problem in relation to theory, research, and/or practice, its scope, and the extent to which previous studies have successfully investigated the problem, noting, in particular, where gaps exist that your study attempts to address. Background information does not replace the literature review section of a research paper; it is intended to place the research problem in a proper context.

Background Information - Research Guides at University of ...

Get more focused, in-depth, or historical background on the topic. Use books written in the time period and follow up with more recent information. How to write background information for a research paper ...

While the findings of your study form the foreground of your research, it is equally important to establish the background of your study. A well-written background will provide your study with a context and prompt the readers to read the rest of your paper. However, most authors struggle with writing the background of the study.

How to write the background of your study | Editage Insights

Background information for an academic research paper is basic or introductory information about a topic. This information helps the writer and reader formulate an understanding of the topic that is being discussed. When researching a new topic for an academic research paper, gathering background information aids in giving a macro view of a topic. This macro view includes key pieces of information such as dates, names, places or key events.
