Mary Gaitskill's Debut Collection Turns 30. By Emily Temple. June 4, 2018. I was 22 when I read Mary Gaitskill ' s Bad Behavior for the first time. I had just graduated from college and moved from rural Vermont to New York City, and I had very little idea what I was doing. Sure, I sort of wanted to be a writer, but I also still thought that writers were these exalted figures—each one as lofty and inhuman as Nabokov—and I didn ' t really believe I could ever be one.

Mary Gaitskill's tales of desire and dislocation in 1980s New York caused a sensation with their frank, caustic portrayals of men and women's inner lives. As her characters have sex, try and fail to connect, play power games and inflict myriad cruelties on each other, she skewers urban life with precision and candour.

A trade paperback reissue of National Book Award finalist Mary Gaitskill 's debut collection, *Bad Behavior*—powerful stories about dislocation, longing, and desire which depict a disenchanting and rebellious urban fringe generation that is searching for human connection. • Now a classic: *Bad Behavior* made critical waves when it first published, heralding Gaitskill 's arrival on the literary scene and her establishment as one of the sharpest, erotically charged, and audaciously funny writing talents of contemporary literature. Michiko Kakutani of *The New York Times* called it “Pinterest,” saying, “Ms. Gaitskill writes with such authority, such radar-perfect detail, that she is able to make even the most extreme situations seem real... her reportorial candor, uncompromised by sentimentality or voyeuristic charm...underscores the strength of her debut.”

A young woman anxiously waits for her date on a street corner in New York City; he sits in a pizza parlour across the street, watching her discomfort. A middle-aged woman returns to a New York that is haunted by the passion and intensity of her former relationship with her estranged best friend. A secretarial graduate starts her first job at a lawyer's office and quietly keeps her cruel experiences at his hands locked inside herself. The stories in this collection peer deep into the inner lives of men and women, explore the cavernous spaces between what we say and what can be expressed, and are full of tenderness and cruelty. Published for the first time in Penguin Modern Classics, *Bad Behaviour* provides a devastatingly insightful and urgently necessary view of our times.

Starting with *Bad Behavior* in the 1980s, Mary Gaitskill has been writing about gender relations with searing, even prophetic honesty. In *This Is Pleasure*, she considers our present moment through the lens of a particular #MeToo incident. The effervescent, well-dressed Quin, a successful book editor and fixture on the New York arts scene, has been accused of repeated unforgivable transgressions toward women in his orbit. But are they unforgivable? And who has the right to forgive him? To Quin's friend Margot, the wrongdoing is less clear. Alternating Quin's and Margot's voices and perspectives, Gaitskill creates a nuanced tragicomedy, one that reveals her characters as whole persons—hurtful and hurting, infuriating and touching, and always deeply recognizable. Gaitskill has said that fiction is the only way that she could approach this subject because it is too emotionally faceted to treat in the more rational essay form. Her compliment to her characters—and to her readers—is that they are unvarnished and real. Her belief in our ability to understand them, even when we don't always admire them, is a gesture of humanity from one of our greatest contemporary writers.

A collection of startling and breathtaking stories about people struggling with the disparity between what they want and what they know. A New York Times Notable Book A man tells a story to a woman sitting beside him on a plane, little suspecting what it reveals about his capacity for cruelty and contempt. A callow runaway girl is stranded in a strange city with another woman's fractiously needy children. An uncomprehending father helplessly lashes out at the daughter he both loves and resents. In these raw, startling, and incandescently lovely stories, the author of *Veronica* yields twelve indelible portraits of people struggling with the disparity between what they want and what they know. Because *They Wanted To* is further evidence that Gaitskill is one of the fiercest, funniest, and most subversively compassionate writers at work today.

From the author of the National Book Award–nominated *Veronica*: Mary Gaitskill's most poignant and powerful work yet—the story of a Dominican girl, the white woman who introduces her to riding, and the horse who changes everything for her Velveteen Vargas is eleven years old, a Fresh Air Fund kid from Brooklyn. Her host family is a couple in upstate New York: Ginger, a failed artist on the fringe of Alcoholics Anonymous, and Paul, an academic who wonders what it will mean to “make a difference” in such a contrived situation. *The Mare* illuminates the couple's changing relationship with Velvet over the course of several years, as well as Velvet's powerful encounter with the horses at the stable down the road, as Gaitskill weaves together Velvet's vital inner-city community and the privileged country world of Ginger and Paul. The timeless story of a girl and a horse is joined with the timeless story of people from different races and socioeconomic backgrounds trying to meet one another honestly in a novel that is raw, striking, and completely original.

Alison and Veronica meet amid the nocturnal glamour of 1980s New York: one is a former modelling sensation, stumbling away from the wreck of her career, the other an eccentric middle-aged proofreader with a meticulous eye. Over the next twenty years their friendship will encompass narcissism and tenderness, exploitation and self-sacrifice, love and mortality. Moving seamlessly between the glamorous and gritty '80s, when beauty and style gave licence to excess, and the broken world of the decade's survivors twenty years later, Gaitskill casts a fierce yet compassionate eye on the two eras and their fixations. *Veronica* masterfully evokes the fragility and mystery of human relationships in a world where love is rife with frightening artificiality. Evocative, raw and entirely unique, *Veronica* was shortlisted for the prestigious 2005 National Book Award in the USA.

This captivating novel shimmers with dark intensity and wicked wit. In a stunning synthesis of eroticism, rage, pathos, and humor, Gaitskill's "fine storyteller's pace and brilliant metaphors" (*The New York Times Book Review*) create a haunting and unforgettable journey into the dark side of contemporary life and the deepest recesses of the soul.

Mary Gaitskill returns with a luminous new collection of stories—her first in more than ten years. In “College Town 1980,” young people adrift in Ann Arbor debate the meaning of personal strength at the start of the Reagan era; in the urban fairy tale “Mirrorball,” a young man steals a girl's soul during a one-night stand; in “The Little Boy,” a woman haunted by the death of her former husband is finally able to grieve through a mysterious encounter with a needy child. Each story delivers the powerful, original language, and the dramatic engagement of the intelligent mind with the craving body—or of the intelligent body with the craving mind—that has come to be seen as stunningly emblematic of Gaitskill's fiction.

In essays on matters literary, social, cultural, and personal, Mary Gaitskill explores date rape and political adultery, the transcendentalism of the Talking Heads, the melancholy of Björk, and the playfulness of artist Laurel Nakadate. She celebrates the clownish grandiosity and the poetry of Norman Mailer's long career and maps the sociosexual cataclysm embodied by porn star Linda Lovelace. Witty, wide-ranging, tender, and beautiful, *Somebody with a Little Hammer* displays the same heat-seeking, revelatory understanding for which Gaitskill's writing has always been known.
