M: Management

Posted by By Joseph January 27, 2019. Management is a concept that involves planning, organizing, leading and controlling organization's human resources, and financial aspects, physical and informational resources to attain an organizational goals in an effective manner. It entails doing whatever is necessary and ethical to achieve the set goals. An efficient management is that which guarantees necessary conditions for the operations of the organization (Bateman & Snell, 2013).
