~~World's Greatest Shipwrecks: History Beneath the Waves~~ Argonne-driven technology is part of a broad initiative to answer fundamental questions about the birth of matter in the universe and the building blocks that hold it all together.

Is there a God or compelling force behind our existence? Is there a particular way we should live? Do we continue in some fashion beyond death? Countless individuals have searched for a belief system that provides hope and meaning, but is also grounded in reasoning. If such a framework had merely been glimpsed intuitively by the religions of the world, what would it really look like beyond the symbolism? Bridge Beneath the Sky: Speculations on a Larger Reality presents both materialist and metaphysical views in a context that acknowledges both as valid and without contradiction. It paints a convincing picture based on rational arguments and descriptive imagery that clarifies our place in the world as molecular machines, the universe made animated, and the enormous possibilities of our existence that follow the same line of reasoning. It is a humble and unassuming glimpse at what might very well be a big picture everyone can relate to.

A volume of poignant recollections by one of Canada's most celebrated poets, Small Beneath the Sky is a tender, unsparing portrait of a family and a place. Lorna Crozier vividly depicts her hometown of Swift Current, with its one main street, two high schools, and three beer parlors—where her father spent most of his evenings. She writes unflinchingly about the grief and shame caused by poverty and alcoholism. At the heart of the book is Crozier's fierce love for her mother, Peggy. The narratives of daily life—sometimes funny, sometimes heartbreaking—are interspersed with prose poems. Lorna Crozier approaches the past with a tactile sense of discovery, tracing her beginnings with a poet's precision and an open heart. Also available in hardcover.

~~My first love. The one I fell for so quickly. The one who stole my heart and made me believe we had it all. We did. Till that fateful day when everything changed.~~Beneath a Starlit Sky is a heart-wrenching, heartrending, tear-jerker! Not recommended for the weak at heart!

Soon to be a major television event from Pascal Pictures, starring Tom Holland. Based on the true story of a forgotten hero, the USA Today and #1 Amazon Charts bestseller Beneath a Scarlet Sky is the triumphant, epic tale of one young man's incredible courage and resilience during one of history's darkest hours. Pino Lella wants nothing to do with the war or the Nazis. He's a normal Italian teenager--obsessed with music, food, and girls—but his days of innocence are numbered. When his family home in Milan is destroyed by Allied bombs, Pino joins an underground railroad helping Jews escape over the Alps, and falls for Anna, a beautiful widow six years his senior. In an attempt to protect him, Pino's parents force him to enlist as a German soldier--a move they think will keep him out of combat. But after Pino is injured, he is recruited at the tender age of eighteen to become the personal driver for Adolf Hitler's left hand in Italy, General Hans Leyers, one of the Third Reich's most mysterious and powerful commanders. Now, with the opportunity to spy for the Allies inside the German High Command, Pino endures the horrors of the war and the Nazi occupation by fighting in secret, his courage bolstered by his love for Anna and for the life he dreams they will one day share. Fans of All the Light We Cannot See, The Nightingale, and Unbroken will enjoy this riveting saga of history, suspense, and love.

"Deborah Raney reminds us that God ' s ways are not our ways...but His paths lead to fulfillment and joy. " --Angela Elwell Hunt, author of The Note and The Heirs of Cahira O ' Connor series Her Second Husband Healed the Sorrow of a Tragic Loss. Her First Has Just Returned from the Dead. Which Man Has the Right to Claim Daria ' s Heart? After two years of serving as a missionary in a remote area of South America, Daria Camfield has returned to the States to mourn her husband, reportedly killed while providing medical aid to a neighboring Colombian village. One family discovers how God can redeem any tragedy. At first, Daria finds comfort only in the daughter born to her after Nate ' s tragic death. As she begins to heal, she also finds a listening ear and a tender heart in her new boss, veterinarian Colson Hunter. Determined to move forward with life, Daria ignores the still small voice calling her to wait and accepts Cole ' s marriage proposal. But after the wedding, Daria ' s new dream life turns into a nightmare with the arrival of an unbelievable telegram: " Nathan Camfield found alive. Flying into K.C. Int ' l. via Bogota... " Now two men have the right to her daughter, her life, and her love. Will Daria return to her beloved first husband, abandoning Cole? Or will she reject Nate and choose the only man her daughter has ever called " Daddy " --a man she has come to cherish with all her heart?

'He writes history like nobody else. He thinks like nobody else ... He sees the world as a whole, with its limitless fund of stories' Bryan Appleyard, Sunday Times Where have the people in any particular place actually come from? What are the historical complexities in any particular place? This evocative historical journey around the world shows us. 'Human history is a tale not just of constant change but equally of perpetual locomotion', writes Norman Davies. Throughout the ages, men and women have endlessly sought the greener side of the hill. Their migrations, collisions, conquests and interactions have given rise to the spectacular profusion of cultures, races, languages and polities that now proliferates on every continent. This incessant restlessness inspired Davies's own. After decades of writing about European history, and like Tennyson's ageing Ulysses longing for one last adventure, he embarked upon an extended journey that took him right round the world to a score of hitherto unfamiliar countries. His aims were to test his powers of observation and to revel in the exotic, but equally to encounter history in a new way. Beneath Another Sky is partly a historian's travelogue, partly a highly engaging exploration of events and personalities that have fashioned today's world - and entirely sui generis. Davies's circumnavigation takes him to Baku, the Emirates, India, Malaysia, Mauritius, Tasmania, Tahiti, Texas, Madeira and many places in between. At every stop, he not only describes the current scene but also excavates the layers of accumulated experience that underpin the present. He tramps round ancient temples and weird museums, summarises the complexity of Indian castes, Austronesian languages and Pacific explorations, delves into the fate of indigenous peoples and of a missing Malaysian airliner, reflects on cultural conflict in Cornwall, uncovers the Nazi origins of Frankfurt airport and lectures on imperialism in a desert oasis. 'Everything has its history', he writes, 'including the history of finding one's way or of getting lost.' The personality of the author comes across strongly - wry, romantic, occasionally grumpy, but with an endless curiosity and appetite for knowledge. As always, Norman Davies watches the historical horizon as well as what is close at hand, and brilliantly complicates our view of the past.

Frederick Kambemba Yamusangie was born in Zaire, now known as the Democratic Republic of Congo, in Africa. A poetry prize winner, Mr. Yamusangie studied communication engineering at the University of Kent at Canterbury in England. He is the author of Full Circle, a novel set in the Congo. He lives in Essex, United Kingdom. Beneath the Blue Sky is his debut book of poetry.

A stand-alone fantasy tale from Seanan McGuire's Alex-award winning Wayward Children series, which began in the Alex, Hugo, Nebula, and Locus Award-winning, World Fantasy Award finalist, Tiptree Honor List Every Heart a Doorway Beneath the Sugar Sky, the third book in McGuire's Wayward Children series, returns to Eleanor West's Home for Wayward Children in a standalone contemporary fantasy for fans of all ages. At this magical boarding school, children who have experienced fantasy adventures are reintroduced to the "real" world. When Rini lands with a literal splash in the pond behind Eleanor West's Home for Wayward Children, the last thing she expects to find is that her mother, Sumi, died years before Rini was even conceived. But Rini can ' t let Reality get in the way of her quest – not when she has an entire world to save! (Much more common than one would suppose.) If she can't find a way to restore her mother, Rini will have more than a world to save: she will never have been born in the first place. And in a world without magic, she doesn ' t have long before Reality notices her existence and washes her away. Good thing the student body is well-acquainted with quests... A tale of friendship, baking, and derring-do. Warning: May contain nuts. The Wayward Children Series Book 1: Every Heart a Doorway Book 2: Down Among the Sticks and Bones Book 3: Beneath the Sugar Sky Book 4: In an Absent Dream At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
