Those that remain behind turn Israel toward the worship of their idol gods (not those gods!), especially Baal and Ashteroth. According to the authors, the doctrine of inerrancy has been standard, accepted teaching for more than 1,000 years. In 1978, the famous "Chicago Statement" on inerrancy was adopted by the Evangelical Theological Society, and for decades it has been the accepted conservative evangelical doctrine of the Scriptures. However, in recent years, some prominent evangelical authors have challenged this statement in their writings. Now eminent apologist and bestselling author Norman L. Geisler, who was one of the original drafters of the

In this book, Phyllis Tribble examines four Old Testament narratives of suffering in ancient Israel: Hagar, Tamar, an unnamed concubine and the daughter of Jephthah. These stories are for Tribble the "substance of life", which may inspire new beginnings and by interpreting these stories of outrage and suffering on behalf of their female victims, the author recalls a past that is all too embodied in the present, and prays that these terrors shall not come to pass again. "Texts of Terror" is perhaps Tribble's most readable book,

This is a book about a book: it is an in-depth yet reader friendly analysis of the Book of Judges, one of the most dramatic books of the Bible. Against the commonly-held view that this remarkable work is no more than a collection of hero tales stemming from Israel's earliest days in its land—its "Heroic Age," so to speak—this study makes the case that the Book of Judges is a unified composition with a single focused message: that it is the

values held by a people and not its politics that determine its fate. Further, Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society, both inflicted from without and generated from within. And not least, that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality. The larger-than-life heroes and heroines—Ehud and Jael, Deborah and Gideon, Jephthah and Samson—who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world.
