has been written with Cambridge Checkpoint students in mind. The extracts have been carefully selected so that all the recommended genres and text types have been included, giving full coverage of the framework. Particular attention has been paid to ensure their suitability and appeal for students from around the world.

The Primary Checkpoints series is designed to provide ready-made stimulating activities. Familiarises students with a variety of assessment formats, such as, NAPLAN\* Thematic units of work covering areas of the curriculum such as reading; language conventions and numeracy to provide students with solid and relevant practice towards assessment tasks at the appropriate Primary level. Each unit of work contains:

- a text type, based on a theme that is relevant to the age and ability level of the student
- reading comprehension
- language convention
- numeracy including mental arithmetic questions and problem solving

Each of the units also includes motivation or encouragement pages in which students complete tasks related to other curriculum areas such as:

- science
- geography
- history
- health
- nutrition and fitness
- social issues

Four Checkpoint Units to be completed in a 'test-like' or as a self-assessment activity. A removable answers insert.

Facilitates effective revision practice, in the classroom and at home, for the Cambridge Primary Checkpoint Test.
