This shows security and wit. Think of *The Art of Captivating Conversation* as a more detailed and nuanced *How to Win Friends & Influence People* for the modern age, now that most people see Carnegie's book as "common sense." It will be a handy reference for both introverts looking to step out, and confident speakers looking for an edge. *The Art of Captivating Conversation* empowers readers to step out of their comfort zones to not only break the ice, but also engage an audience in a meaningful and enriching conversation. It is a handy book that will empower readers to speak confidently.
