Praise For Dinosaurium: Welcome to the Museum... This addition to the Welcome to the Museum series offers a vivid tour of a paleontological exhibition...Wormell's dramatic digital engravings are reminiscent of vintage scientific plates; each is paired with a corresponding key identifying the image, while in sections of lively, clear prose, Murray offers greater detail about the subjects in the tableaux.

**Dinosaurium: Welcome to the Museum | IndieBound.org**

Dinosaurium presents itself as a walk through a dinosaur museum, and is arranged correspondingly. It starts out with a branching tree (cladogram) showing the current understanding of dinosaur species' ancestries.
