Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.

Over many miles and years, Rob Brooks has seen and experienced quite a bit of life. Rob's love of his family and his friends, of motorcycling and his God have afforded him opportunities to connect with a wide variety of people. These pages reflect a small portion, a window as it were, into the past 10+ years of his life. Rob is no one special, no one famous. Just a regular guy who loves life, and wants to experience as much of it as God might allow. Along the way, the observations, the wisdom gleaned from others, and the insights he has gained are worth passing on, in his estimation. We hope you will agree. May you be encouraged, challenged, amused, and inspired by the thoughts, reflections, and experiences of this "everyman." And maybe join him out on the road somewhere...

A scandalous entanglement traps a woman of virtue in an unforgettable Regency romance from the bestselling author praised as "a major find" (Mary Balogh). When word reaches Deirdre Fenton that her brother is pursuing the notorious actress Mrs. Dewinters, she immediately sets about extricating her incorrigible sibling from his latest folly. But her brother has gone too far this time for his-or Deirdre's-own good. For Mrs. Dewinters is under the powerful protection of a war hero, the Earl of Rathbourne . . . the very man Deirdre had summarily rejected years before. And the Earl is not a man to forgive an insult-or forget a lady as passionate as Deirdre Fenton . . . If Rathbourne has learned one thing during his years fighting on the Peninsula, it is to get what he wants by means fair or foul. Now he has Deirdre right where he wants her: at his mercy. "A major, major talent, Ms. Thornton takes her rightful place as a genre superstar." -RT Book Reviews

Mother of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. When it comes to being a good mom in today's culture, the bar is set embarrassingly low, especially when compared to God's standard. Mere survival is seen as a badge of honor and hanging on 'til "wine-o-clock" a goal to be strived for. As a daughter of Christ, you have been called to be more than an average mom. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mom, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.
