A solutions manual for instructors is available containing exercises and solutions for Feedback Systems. In addition to the exercises listed in the text, additional exercises are included here that are of a more specialized nature or too long to easily fit in the text.

Solutions Manual - FBSwiki

and problem-solving type exercises. While I wrote some of the solutions myself, most were written originally by students in the database classes at Wisconsin. I'd like to thank the many students who helped in developing and checking the solutions to the exercises; this manual would not be available without their contributions.
