Fifty Dead Men Walking Synopsis A young man infiltrates the IRA for the British police until being exposed and tortured.

For more than four years, Martin McGartland lived a double-life. To the IRA, he was a trusted intelligence officer and an integral member of an active-service unit. To the British Government, however, he was known only as 'Agent Carol'. McGartland is credited by British Intelligence with having saved the lives of at least fifty people. Working within the ruthless network of the IRA, every time he tipped off the authorities, he saved a life, but with each success came a higher risk of detection. He continued to pass on life-saving information until, one day, his cover was blown. . .

For more than four years Martin McGartland risked his life working undercover as a British agent inside the Provisional IRA. His first book FIFTY DEAD MEN WALKING describes how he was kidnapped by the Provos and taken to a flat to face interrogation and torture, knowing that execution would follow. So, in a desperate bid to save his life, he threw himself from a second-floor window of a block of flats and somehow, miraculously, survived. DEAD MAN RUNNING follows the extraordinary life of Martin McGartland after he re-settles on the mainland and assumes a new identity. It tells of the discovery that his abduction by the IRA was not as a result of Provo intelligence. He had been deliberately sacrificed by M15. During his years in hiding in the north-east he was stopped, arrested and taken to court on scores of occasions, mostly on trumped-up offences. Poice lied in court in an effort to win convictions. Eventually, the Crown Prosecution Service, advised by M15, ordered his trial for attempting to pervert the course of justice. McGartland was found not guilty by the jury in just ten minutes. Unbelievably, during the trial, Northumbria Police revealed McGartland's real name and his new identity.

For more than four years, Martin McGartland lived the double life of a secret agent. To the IRA, he was a trusted Intelligence Officer and member of an active service unit. To the British government he was Agent Carol.

When the necrons rise, a mining planet descends into a cauldron of war and the remorseless foes decimate the human defenders. Salvation comes in an unlikely form ¶ the Death Korps of Kreig, a force as unfeeling as the Necrons themselves. When the two powers go to war, casualties are high and the magnitude of the destruction is unimaginable.

From bestselling author David Downing, master of historical espionage, comes a heart-wrenching depiction of Germany in the days leading up to World War II and the difficult choices of one man of conviction. In April 1938, a man calling himself Josef Hofmann arrives at a boarding house in Hamm, Germany, and lets a room from the widow who owns it. Fifty years later, Walter Gersdorff, the widow's son, who was eleven years old in the spring of 1938, discovers the carefully hidden diary the boarder had kept during his stay, even though he never should have written any of its contents down. What Walter finds is a chronicle of one the most tumultuous years in German history, narrated by a secret agent on a deadly mission. Josef Hofmann was not the returned Argentinian immigrant he'd said he was--he was a communist spy under Moscow's command trying to reconnect with remaining members of Germany's suppressed communist party. Hofmann's bosses believe the common workers are the only way to stop the German war machine from within. Posing as a railroad man, Hofmann sets out on his game of "Russian roulette," approaching Hamm's ex-party members one at a time and delicately feeling out their allegiances. He always knew his mission would most likely end in his death, and he was satisfied to make that sacrifice for the revolution if it could help stop Hitler and his abominable ideology. But as he grows close to the Gersdorffs, accidentally stepping into the role of the father Walter never had, Hofmann begins to wish for another kind of hope in his life.

It used to be thought that no single person could rule the mean streets of Glasgow. Arthur Thompson proved this to be wrong. From an ordinary working-class family, Thompson started out as a bouncer and minder. Hard yet bright, he learned quickly. Cross him and you'd be scarred. Cheat him and he nailed you to the floor, crucifixionstyle. The gangsters of Glasgow thought it couldn't get any worse - it did. For forty years, Thompson ruled Glasgow and there came a time when his capacity for violence became so boundless that people would pray to be crucified. This fully revised edition of The Last Godfather visits places no law-abiding person has been. The gunrunning, murders, drug dealing and torture are all still there but there's much more - atrocities like how he improved on crucifixion as a means of revenge, how he created Europe's Tartan Mafia, how he invented concrete boots as a failsafe way of disposing of enemies' corpses. Then there are the ways he has had an impact on the lives and, more importantly, deaths of others - one man killed by a sniper, another kidnapped in London and tortured for days in Glasgow. Thompson died of natural causes but his influence didn't stop at his grave - which, incidentally, was deliberately left unmarked in case someone he'd had a run-in with decided to dig him up and wreak some kind of horrible revenge. This new edition includes previously unexplored aspects of Thompson's legacy and investigates the reasons there could never be another gang lord as all-powerful as Arthur Thompson - why he was destined to become The Last Godfather.

In 1982, Sister Helen Prejean became the spiritual advisor to Patrick Sonnier, the convicted killer of two teenagers who was sentenced to die in the electric chair of Louisiana's Angola State Prison. In the months before Sonnier's death, the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying. She also came to know the families of the victims and the men whose job it was to execute¶men who often harbored doubts about the rightness of what they were doing. Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital punishment. Here Sister Helen confronts both the plight of the condemned and the rage of the bereaved, the fears of a society shattered by violence and the Christian imperative of love. On its original publication in 1993, Dead Man Walking emerged as an unprecedented look at the human consequences of the death penalty. Now, some two decades later, this story¶which has inspired a film, a stage play, an opera and a musical album¶is more gut-wrenching than ever, stirring deep and life-changing reflection in all who encounter it.
