by Angela Davis Freedom Is A
Constant Struggle

"Whether you've grown up with the courage and conscience of Angela Davis, or are discovering her for the first time, Freedom Is a Constant Struggle is a small book that will be a huge help in daily life and action, from exposing the "prison industrial complex" that she named long ago to understanding that leaders are only leaders if they empower others. She herself exposes facts and makes connections, but also leads in the most important way-by example."

A fast-paced series of speeches, interviews, and essays, Freedom Is a Constant Struggle examines how ostensibly disparate social movements around the world in fact share deep and meaningful connections that might link them together in a global struggle for human liberation. Across ten pieces of writing Angela Davis explores a wide range of topics, from the militarization of the police in Israel and America to the rapid spread of the prison-industrial complex throughout the world.
