Speech is an introductory speech text for high school students. The text covers the full range of speech topics, from different types of interpersonal communication to preparing and presenting speeches to debate and parliamentary procedure, making it a good fit for all introductory speech classes. Glencoe Speech is authored by three leading high school speech teachers and debate coaches -- Randall McCutcheon, James Shaeffer, and Joe Wycoff -- and provides you with the most effective techniques and strategies for teaching speech/communication. Features include interviews with real people from a variety of occupations who describe how communication is involved in day to day activities. Glencoe Speech is an ideal text for both college prep and students making their way into the world of work. - Publisher.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
