Setting~~ — Matt Morris

Read Online Goal Setting The Process Of Achieving

The Process for Setting Goals The process of setting goals is a never-ending one – it changes as your needs change as you get older [or mature!], or if your life situation changes, for example if you start a family. But whatever stage of life you're up to, the process remains the same:

~~The goal setting process~~

Goal setting is a powerful process for clarifying what you want to achieve in the future. The process of setting goals in business and life helps you get clear on what you really want and gives you a specific, measurable destination to reach. Goals gives you direction and a clear plan and path to follow each day.
