The Complete Grimm's Fairy Tales by Jacob Grimm
Fairy tales, gripping, magical and inspiring, are master narratives. Children subconsciously recall their messages as they grow older, and are forced to cope with real injustices and contradictions in their lives.

The True Stories Behind Classic Fairy Tales | HuffPost
An article about Jacob and Wilhelm Grimm in National Geographic makes the point that the brothers did not set out to create a children's collection of fairy tales. Instead, they set out to preserve Germany's oral tradition by collecting stories told to them, in other words, folklore.

Brothers Grimm fairy tales were never meant for kids

...

With fantastical stories of witches and fairies, goblins and elves, or heroic princes and their villainous counterparts, folklore and fairy tales have long been an ingrained tradition in story-telling for children.

These stories allow us to explore the furthest reaches of our imaginations – but some have more sinister back stories.
