I-35W Mississippi  
River bridge

During the evening rush hour on August 1, 2007, a 1,900-foot section of Interstate Highway 35 West bridge between Minneapolis and Saint Paul, Minn., collapsed into the Mississippi River,

# Get Free I 35w Bridge Collapse

killing 13 people  
and injuring 145.  
We conducted a  
study to determine  
the cause of the  
collapse on behalf  
of a consortium of  
20 Minnesota law  
firms representing,  
pro bono, more  
than 90 victims  
and their families.
