Instant ESP by David St Clair - Alibris

David St. Clair was an author who had an extensive interest in the occult. As he traveled the world one common denominator emerged, and that is that there are workable techniques for improving one's psychic abilities that are known worldwide; they may be called a different name depending upon the region of the world in which one finds them, but their working methodology is the same.

So what is ESP in my technology? ESP stands for Essential Self Prompt. I'll explain immediately: The Essential Self needs prompting from time to time. It tends to fall asleep in an organic body because most of the time an organic body functions by instinct, which includes thinking, feeling and establishing lines of social networking.
