The W58 from a mk4 supra is the same gearbox my friend David has in his blue BN Sports IS300 which meant I also had access to information and first hand experience with the swap. A weekend affair removing the engine and gearbox from @Val02j ' s supra for his build saw the w58 land literally in my boot and follow me home along with the tailshaft, flywheel and slave cylinder.

~~IS300 — W58 manual Swap and other updates — Prime Exeel~~

W55 -W58 Swap. I ' m swapping my 2002 IS300 factory manual W55 for a W58. I already installed the W55 bell housing onto the W58. I ' m having issues installing the W55 shifter onto the W58 tail housing. It ' ll bolt on but it is difficult moving it into any gears. 9 comments. share.

~~W55 —W58 Swap— IS300~~

Here ' s the short list: w55 (stock 5 speed IS300 manual), w58 (stock 5 speed mk4 Supra NA), r154 (stock 5 speed mk3 turbo and some jdm cars), ar5 (solstice/sky 5 speed- also in h3 ' s and colorado ' s but lots more work to fit), cd009 (Nissan Z and Infiniti G 6 speed), V160 (stock mk4 Supra turbo), and the t56/magnum (dozens of OEM and aftermarket applications).

~~Manual Transmission Options for the IS300 | IS Elite~~

based on gearing r154 is probably the best transmission for a IS300. v160 swap in an IS300 has the same problem as a MK3 supra, for the exact same reason btw, they both use the same differentials and 3.7x is the lowest ratio (I hear rumors of 3.5x) V160/V161 use 3.7 for the NA ratio and 3.1/3.2 for the Turbo ratio.

~~is300 with w55 or w58? | Supra Forums~~

If you an 02 ' - 05 ' IS300 it isn ' t necessary to swap these things but you ' ll get a bunch of lights on your dash afterwards. You ' ll also need: Either the w55 (auto transmission) or The w58 (manual transmission) (I believe this one holds more power and comes from a Supra, I could be wrong).
