**Judaism** is a race or even a particular culture or ethnic group. There are about 13 or 14 million Jews spread around the world, including about 6 million in the United States and about 5 million in Israel 0 so Judaism clearly isn't a nation.1 So what does it mean to be Jewish? Here are the basics: Being Jewish (being a Jew!) means you're a Member of the Tribe (an M-O-T). The tribe started with a couple named Abraham and Sarah about 4,000 years ago, it grew over time, and it's still here today. You can become part of the Jewish tribe in two ways: By being born to a Jewish mother or joining through a series of rituals (called converting). Judaism is a set of beliefs, practices, and ethics based on the Torah. You can practice Judaism and not be Jewish, and you can be a Jew and not practice Judaism. Whether you're interested in the religion or the spirituality, the culture or the ethnic traditions, Judaism For Dummies explores the full spectrum of Judaism, dipping into the mystical, meditative, and spiritual depth of the faith and the practice. In this warm and welcoming book, you'll find coverage of Orthodox Jews and breakaway denominations Judaism as a daily practice The food and fabric of Judaism Jewish wedding ceremonies Celebrations and holy days 4,000 years of pain, sadness, triumph, and joy Great Jewish thinkers and historical celebrities Jews have long spread out to the corners of the world, so there are significant Jewish communities on many continents. Judaism For Dummies offers a glimpse into the rituals, ideas, and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far-reaching as across the world. Judaism For Dummies (9781119643074) was previously published as Judaism For Dummies (9781118407516). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.

An easy-to-understand introduction to Judaism's most sacred text The foundation of Hebrew and Jewish religion, thought, law, and society is the Torah—the parchment scroll containing the text of the Five Books of Moses that is located in every synagogue. This accessible guide explains the Torah in clear language, even to those who were not raised in the Jewish religious tradition. Christians who want to know more about the Jewish roots of Christianity need to understand the Torah, as do followers of Islamic tradition and those interested in the roots of Abrahamic faiths. The Torah For Dummies explains the history of the Torah, its structure and major principles, and how the Torah affects the daily lives of people who follow the Jewish way of life.

Kabbalah For Dummies presents a balanced perspective of Kabbalah as an umbrella for a complex assemblage of mystical Jewish teachings and codification techniques. Kabbalah For Dummies also shows how Kabbalah simultaneously presents an approach to the study of text, the performance of ritual and the experience of worship, as well as how the reader can apply its teaching to everyday life.

A rabbi introduces Gentiles to the origins, doctrines, traditions, practices, laws, institutions, and beliefs of the Jewish religion

The Bible For Dummies (9781119293507) was previously published as The Bible For Dummies (9780764552960). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Discover the world's all-time bestseller in an entirely new light Ninety percent of Americans own a copy of the Bible, and while it's the most widely read book, it's also the least understood. Regardless of your religion, understanding the Bible brings much of Western art, literature, and public discourse into greater focus:from Leonardo da Vinci's "Last Supper" painting to the Wachowski brothers' The Matrix movies. People have historically turned to religion to deal with tragedy and change, and with the right insight, the Bible can be an accessible, helpful guide to life's big questions. The Bible For Dummies appeals to people of all faiths, as well as those who don't practice any particular religion, by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive. You'll find answers to such questions as: Where did the Bible come from? Who wrote the Bible? How is the Bible put together? Follow the history of the Bible from its beginning thousands of years ago as tattered scrolls to its status as the bestseller of all time. The Bible For Dummies covers these topics and more: Ten people in the Bible you should know The Hebrew Bible The Apocrypha's hidden treasures What's new about the New Testament Israel's wisdom, literature, and love poetry The Bible's enduring influence The prophets: more than fortunetellers Whether you're interested in broadening your spiritual horizons, uncovering the symbolism of Western culture, or gaining a deeper understanding of the book you grew up reading, The Bible For Dummies has all the information you need to navigate this ancient and fascinating book.

Why are we here? How should we live? What happens after we die? Why does evil exist? Religion For Dummies explains how the world's great religions answer questions that persist through generations. Authors Rabbi Marc Gellman and Monsignor Thomas Hartman are trusted religious advisors known as the God Squad. With wonderful wit and incredible wisdom, they host a daily talk show which reaches nearly 4 million homes in the New York area, and have appeared on numerous TV and radio shows. This book is not a scholarly theological treatise; it's a lively, practical, hands-on resource that will help you better understand your own religion and others. You'll explore: Religion's role in the family and in the workplace The beliefs and practices of Christianity, Judaism, Islam, and other religions Religion's impact during major passages in life such as birth, death, and marriage How to join a religion and how to pray How religion can help you deal with issues in every day life such as conflict, adversity, marriage, divorce, and more Religious rituals and ethics Religion for Dummies touches on lesser-known religions (such as, Zoroastrianism, Jainism, Sikhism). It explores how people of various faiths pray, celebrate life and death, and view moral issues. The book does not tell you what to believe, but rather encourages you to live as you believe and let your religion infuse every aspect of your life. It doesn't give simple answers to haunting, complex questions; it helps you find your own answers and pursue your own spiritual path!

A publishing sensation long at the top of the best-seller lists in Israel, the original Hebrew edition of Maimonides and the Book That Changed Judaism has been called the most successful book ever published in Israel on the preeminent medieval Jewish thinker Moses Maimonides. The works of Maimonides, particularly The Guide for the Perplexed, are reckoned among the fundamental texts that influenced all subsequent Jewish philosophy and also proved to be highly influential in Christian and Islamic thought. Spanning subjects ranging from God, prophecy, miracles, revelation, and evil, to politics, messianism, reason in religion, and the therapeutic role of doubt, Maimonides and the Book That Changed Judaism elucidates the complex ideas of The Guide in remarkably clear and engaging prose. Drawing on his own experience as a central figure in the current Israeli renaissance of Jewish culture and spirituality, Micah Goodman brings Maimonides's masterwork into dialogue with the intellectual and spiritual worlds of twenty-first-century readers. Goodman contends that in Maimonides's view, the Torah's purpose is not to bring clarity about God but rather to make us realize that we do not understand God at all; not to resolve inscrutable religious issues but to give us insight into the true nature and purpose of our lives.

Many non-Muslims have no idea that Muslims worship the same God as Christians and Jews, and that Islam preaches compassion, charity, humility, and the brotherhood of man. And the similarities don't end there. According to Islamic teaching, Muhammad founded Islam in 610 CE after the angel Gabriel appeared to him at Mecca and told him that God had entered him among the ranks of such great biblical prophets as Abraham, Moses, and Christ. Whether you live or work alongside Muslims and want to relate to them better, or you simply want to gain a better understanding of the world's second largest religion, Islam For Dummies can help you make sense of this religion and its appeal. From the Qur'an to Ramadan, this friendly guide introduces you to the origins, practices and beliefs of Islam, including: Muhammad, the man and the legend

The Five Pillars of Wisdom The Five Essentials beliefs of Islam The different branches of Islam and Islamic sects The Qur'an and Islamic law Islam throughout history and its impact around the world Professor Malcolm Clark explores the roots of Islam, how it has developed over the centuries, and it's long and complex relationship with Christianity. He helps puts Islam in perspective as a major cultural and geopolitical force. And he provided helpful insights into, among other things: Muhammad, the Qur'an and the ethical teachings of Islam Muslim worship, customs, and rituals surrounding birth, marriage, and death Shiites, Sunnis, Sufis, Druze, and other important Muslim groups Islam in relation to Judaism and Christianity In these troubled times, it is important that we try to understand the belief systems of others, for through understanding comes peace. Islam For Dummies helps you build bridges of understanding between you and your neighbors in the global village. Islam For Dummies (9781119642978) was previously published as Islam For Dummies (9780764555039). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.

Understand the beliefs, customs, and rituals of each faith The fun and easy way to know the common elements of these widespread religions Want to know more about the faiths of Judaism, Christianity, and Islam? This plain-English guide traces their evolution from their commonorigin - Abraham - and explains their different, yet linked, beliefs.You'll see how each religion developed, endured setbacks, and became a fixture in modern society - and you'll learn how members have developed similar approaches to worship. Discover: How the belief in one God originated The roots of Abraham's family tree The sacred texts of each faith Major similarities and differences How these religions influenced the world
