But more difficult than actual Kangaroo problems, exploring a large number of known 'tips and tricks.' One could say it is much more concentrated in that, unlike actual exams, it has less 'filler' - almost every problem is 'tricky' and embodies a specific strategy. The material is excellent for training purposes and has been used by the authors in seminars with hundreds of the most gifted students in the Bay Area. The workbook contains six 24-question tests. After each test there is an answer key. The tests are followed by detailed solutions. The recommended time limit for each test is of 75 minutes. Students who have not been exposed to competitive problem solving will find this book extremely difficult and will need help from an adult. Without preparation, students

tests. After each test, there is an answer key. The tests are followed by detailed solutions that outline various problem solving strategies appropriate for the respective age. The recommended time limit for each test is of 75 minutes.

Narrator Gladys Cailiff is eleven years old in 1938 when a worldly schoolteacher turns the small town of Threestep, Georgia, upside down. Miss Grace Spivey defies the traditional curriculum and racial boundaries alike, regaling her charges with readings from the Thousand Nights and a Night and casting a gifted African American student as "chief engineer" of the town's annual festival, newly reinvented as the Baghdad Bazaar. But her progressive actions are not
