What is a lead generation funnel? A lead generation funnel also referred to as a lead funnel, is a systematic approach to generating leads (i.e., potential customers). It's the process of funneling your target audience through distinct stages until they (hopefully) decide to make a purchase. A lead generation funnel can range in complexity from surprisingly simple to I-need-a-degree-in-rocket-science to understand. Lead funnels have three stages.

Mapping your lead generation efforts to your funnel is extremely important as it dictates your campaigns, messaging, and expected metrics. Many companies typically define the sales process as a funnel. (The top of the funnel is where you get the broadest amount of leads and the bottom of the funnel is where a lead turns into a customer.)

Marketer e commerciali vogliono da sempre percorrere tutti gli stadi del funnel di vendita in maniera veloce. Ecco perché, nell'attuare una campagna di lead generation, sono sempre tentati di "comprare" contatti, piuttosto che attrarli in maniera organica: un approccio alla lead generation più rapido ma anche più costoso. Vediamo perché.
