Learning Three.js: The  
JavaScript 3D Library for  
WebGL

"Learning Three.js: The JavaScript 3D Library for WebGL" is comprehensive, and deals not only with the most of Three.js, but also with some related tools and libraries (like Physijs). It contains many colorful illustrations (at least in e-book editions, can't say for printed version though) which is quite important given the visual nature of the subject. The publisher gave me a review copy of the book.
