From Baylor to Baylor preserves the legacy of the ACM-ICPC World Finals. The book contains all the problems used during the 1991 to 2006 competitions, carefully typesetted and formatted to the highest standard. Also, almost 100 figures have been completely redrawn to improve their printed quality. Prefaced by William B. Poucher from Baylor University (Texas) and coordinated by Miguel A. Revilla from Universidad de Valladolid (Spain), this work is the definitive guide to 16 years of history of the International Collegiate Programming Contest, published thanks to the collaboration of the Competitive Learning Institute and the Competitive Infrastructure Initiative. This book is tribute to all the staff, contestants, judges and volunteers that made it possible.

In the next few years, brands are on track to spend billions of dollars on influencer marketing. This form of marketing—currently utilized with great success on Instagram and YouTube—is not a short-lived fad, but a tectonic shift for the future of digital advertising. It's the way of the future, and the responsibility is on business leaders to keep up. Modern marketing professionals looking to adopt influencer marketing for their brands face equally modern challenges. Like finding the right talent, tracking and measuring results and quantifying how this new marketing opportunity aligns with the overall strategy. *Influencer Marketing for Brands* is the field guide for the digital age. After working with hundreds of brands from across the globe, author Aron Levin shares his insider knowledge gained from research, strategy, and hands-on experience from more than 10,000 successful collaborations with influencers on Instagram and YouTube. He provides you with valuable insights that help you eliminate guesswork and avoid common mistakes. More importantly, he shows you how to turn influencer marketing into a scalable and sustainable marketing channel. The digital media landscape grows more complicated by the hour, and influencer marketing is no exception. *Influencer Marketing for Brands* breaks down the art and science of influencer marketing and helps you synthesize, contextualize and transform this new way of creating and distributing content with powerful formulas, proven strategies, and real-world examples. What You Will Learn Plan effective influencer marketing campaigns using a simple 3-step formula Create top performing YouTube videos that drive website traffic, app installs and sales Understand what to pay for influencer marketing and how much you should invest if you're just starting out Who This Book is For Marketing and agency professionals, influencers and content creators, marketing students, those who are looking for more effective forms of advertising and are generally interested in understanding the new and evolving digital media landscape.

Johansson's *Global Marketing, 5/e* utilizes a three-pronged framework to organize the discussion of how to conduct global business: Foreign Entry, Local Marketing, and Global Management. Johansson seeks to develop the varied skills a marketing manager needs to be successful in each of these tasks. In foreign entry, in global management, and to a large extent even as a local marketer in a foreign country, the global marketer needs skills that the home makes experience—or the standard marketing text—have rarely taught. The recognition of the three roles helps dispel the notion that "there is no.

Quickly get up to speed on your MacBook Pro This handy resource is not only visually appealing but offers excellent step-by-step guidance to your MacBook Pro. Following the illustrated instructions will empower you to accomplish everyday tasks quickly and easily. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Everything you need to know to become a professional VFX whizz in one thorough and comprehensive guide.

This book provides an overview of the environmental problems that arise from construction activity, focusing on refurbishment as an alternative to the current crisis in the construction sector, as well as on measures designed to minimize the effects on the environment. Furthermore, it offers professionals insights into alternative eco-efficient solutions using new materials to minimize environmental impacts and offers solutions that they can incorporate into their own designs and buildings. It also demonstrates best practices in the cooperation between various universities in Andalusia in Spain and Latin America and many public and private companies and organizations. This book serves as a valuable reference resource for professionals and researchers and provides an overview on the status of investigations to find solutions to improve sustainable development in terms of materials, systems, facilities, neighborhoods, buildings, and awareness of the society involved.

Finalist for the Pulitzer Prize • Winner of the Council on Foreign Relations Arthur Ross Book Award • One of the New York Times' Ten Best Books of the Year "Impressive . . . Mr. Judt writes with enormous authority." -The Wall Street Journal "Magisterial . . . It is, without a doubt, the most comprehensive, authoritative, and yes, readable postwar history." -The Boston Globe Almost a decade in the making, this much-anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement. Postwar is the first modern history that covers all of Europe, both east and west, drawing on research in six languages to sweep readers through thirty-four nations and sixty years of political and cultural change-all in one integrated, enthralling narrative. Both intellectually ambitious and compelling to read, thrilling in its scope and delightful in its small details, Postwar is a rare joy. Judt's book, *Ill Fares the Land*, republished in 2021 featuring a new preface by bestselling author of *Between the World and Me* and *The Water Dancer*, Ta-Nehisi Coates.

"[A] solid how-to book...For amateur dream researchers, this is a must." WHOLE EARTH REVIEW This book goes far beyond the confines of pop dream psychology, establishing a scientifically researched framework for using lucid dreaming--that is, consciously influencing the outcome of your dreams. Based on Dr. Stephen LaBerge's extensive laboratory work at Stanford University mapping mind/body relationships during the dream state, as well as the teachings of Tibetan dream yogis and the work of other scientists, including German psycholgist Paul Tholey, this practical workbook will show you how to use your dreams to: Solve problems; Gain greater confidence; improve creativity, and more. From the Paperback edition.
