Libidinal Economy is a 1974 book by the French philosopher Jean-François Lyotard. The work has been compared to the philosopher Gilles Deleuze and the psychoanalyst Félix Guattari's *Anti-Oedipus*. Critics have argued that the work lacks a moral or political orientation. Lyotard subsequently abandoned its views and developed an interest in postmodernism.

According to Lyotard, every political economy is libidinal: that intensity has no equivalent in currency does not rid the circuits of capital of the force of libidinal investment. Intensive "exchanges" are ignorant of the constitutive negation of both political economy and natural theology since the libido invests unconditionally

Lyotard's own style of writing in Libidinal Economy is one attempt to do this: by multiplying genres of discourse, there is no overall dominant structure in the text and it is open to several competing modes of reading, interpretation and application. Ultimately, libidinal philosophy suggests a method of subversion from within existing structures through experimentation with the forms of those structures.
