The story of Little Ree is basically my own story! I moved to the country (as an adult) after living in town my whole life, so I was able to draw on all of those experiences and tell them from the perspective of a little girl. What was one of the most surprising things you learned in creating this story?

Little Ree: Drummond, Ree, Rogers, Jacqueline ...

Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough.

Little Ree by Ree Drummond, Jacqueline Rogers, Hardcover ...

Ree has written a book about life as a child, Little Ree. Little Ree and her family are moving from the city to the country to live with grandma and grandpa. This could be Ree's story. Little Ree looks at this move as a big adventure.

Amazon.com: Little Ree (Audible Audio Edition): Ree ...

Little Ree is a book about Ree Drummond's childhood move to the country. She is excited about her move into her grandparents' house before experiencing some anxiety about her differences. Eventually she adjusts and is happy about her new home. I have watched Pioneer Woman and I can hear Ree telling this story.

In Little Ree by Ree Drummond, and illustrated by Jacqueline Rogers, Little Ree and her family are moving to the country to help out grandma and grandpa. Ree is super excited to be a country girl, but it seems like no matter what she tries to do, everything is just off.

Little Ree: Ree Drummond: 9780062453181 - Christianbook.com

From a girl who grew up in the city and spent Sundays on her grandpa's dairy farm, it brought back a lot of fun memories, exactly as "Little Ree's" experiences. Little girls who love and dream about being a cowgirl will love it.

Little Ree: Best Friends Forever! Drummond, Ree, Rogers ...

The story takes an interesting turn when Little Ree and Hyacinth decide to enter the county fair pie baking contest, and they decide the only way to win is to go out and hunt for fresh berries. As you can imagine, it's an adventure. (By the way, it's skunk mating season on the ranch right now, so this illustration couldn't be more timely.)

Little Ree: Best Friends Forever! by Ree Drummond

New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond brings us the first book in a brand-new picture book series! In Ree's own words: "I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures!" Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right pair of boots, it's all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond's new picture book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end!

New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond, is back with the second book in the Little Ree picture book series! Little Ree and her best friend, Hyacinth, love learning to bake with their grandmothers, especially when pie is on the menu. So when they find out about a pie-baking contest at the fair, they can't wait to enter. But Little Ree and Hyacinth don't want to bake just any pie, and they want to pick their own berries. Can the two friends bake the best pie ever and take home the blue ribbon? With warmth and humor, Ree Drummond's new picture book reminds us of the essential ingredients for friendship and treats us to a delicious blueberry pie recipe at the end.

Frontier Follies has descriptive copy which is not yet available from the Publisher.

Little Ree and her best friend, Hyacinth, love learning to bake with their grandmothers, and want to bake a blue ribbon pie.

We all hear tales about the Knights Templar, but who are they, and what purpose do they have in a modern world? Janis, the author of this book gives insight into the beliefs and practices of this once highly secret organisation. She goes further to make suggestions to those wishing to tread the path towards discovery. The Little Book of Templar Philosophy is just that, a little book with a wealth of belief systems.

This charming little book will teach you everything you need to know—from cookies to bundt cakes—so you can make the most exciting recipes and be the best baker in town. This pocket-sized baking book is awash in charm, color, and smart puns for bakers: you can have your cake and eat it too! Thirty recipes range from chocolate brownies, shortbread caramel slice, and chocolate chip cookies to layered berry pavlova and chocolate ganache bundt. Its compact size makes it unimimidating and also a perfect gift, even if it's just for yourself. In Charlotte's own words, You'd better believe this is the only baking book you'll need.

Follow the adventures of a young farmer named Little Rees Specht who discovers that kindness, like a seed, will only grow and spread if one takes the time to cultivate it.Little Rees Specht is a thoughtful and generous young boy who takes the time to help out a friend in need. Unbeknownst to Little Rees Specht, his kind act plants a "seed of kindness", that keeps growing as more and more kind acts are performed by other children. "A Little Rees Specht Cultivates Kindness" is a sweet book with an important message for young children who are learning to look beyond themselves and develop empathy for others. Join the adventure of Little Rees Specht and his friends as they discover how kindness grows in the good deeds we do for each other. In the end, we learn that all it takes to cultivate kindness is a little Rees Specht.

During years of close friendship, Friedrich Nietzsche (1844-1900) and Paul Rée (1849-1901) shared ideas and developed a new and original approach to philosophy and ethics. The course of their partnership, from its origins in shared hopes to its ending in a painful breakdown of personal relations, is the subject of this book. The full story has not been told before. Some of its biographical aspects - especially the three-sided relationship involving the young Lou Salomé which had severe emotional consequences for Nietzsche - have been known. Yet many personal details are presented here for the first time. The philosophical account is equally absorbing, showing how this collaboration was a crucial stage on Nietzsche's way toward his most original and radical contributions to philosophy. 'Rdealism' was the label Nietzsche gave to Rée's naturalistic doctrine, which drew on the evolutionary theory of natural selection to explain the moral concepts of good, evil, conscience and justice. Just as importantly, Rée wrote in a cool, highly disciplined style, very different from most German writers of the time. Both aspects of his work made a strong impact on Nietzsche, who developed this project in his own way in a series of works starting with Human, All-Too-Human. Yet he eventually came to criticise and reject 'Rééalism' as inadequate to the task of a revaluation of values, and replaced the 'historical approach' with his own genealogy of morality. In a strikingly poetic passage in The Gay Science, Nietzsche describes a 'star friendship': the brief meeting of two stars whose paths cross and then diverge forever, perhaps as part of some pattern beyond their knowledge. This book gives the 'star friendship' of Nietzsche and Rée the treatment it has always needed. In doing so, it brings to light fresh aspects of one of the most important of modern thinkers.

From Klyph Nesteroff, "the human encyclopedia of comedy" (VICE), comes the important and underappreciated story of Native Americans and comedy. It was one of the most reliable jokes in Charlie Hill's stand-up routine: "My people are from Wisconsin. We used to be from New York. We had a little real estate problem." In We Had a Little Real Estate Problem, acclaimed comedy historian Klyph Nesteroff focuses on one of comedy's most significant and little-known stories: how, despite having been denied representation in the entertainment industry, Native Americans have influenced and advanced the art form. The account begins in the late 1880s, when Native Americans were forced to tour in wild west shows as an alternative to prison. (One modern comedian said it was as "if a Guantanamo detainee suddenly had to appear on X-Factor.") This is followed by a detailed look at the life and work of seminal figures such as Cherokee humorist Will Rogers and Hill, who in the 1970s was the first Native American comedian to appear The Tonight Show. Also proffled are several contemporary comedians, including Jonny Roberts, a social worker from the Red Lake Nation who drives five hours to the closest comedy club to pursue his stand-up dreams; Kiowa-Apache comic Adrianne Chalepah, who formed the touring group the Native Ladies of Comedy; and the 1491s, a sketch troupe whose satire is smashing stereotypes to critical acclaim. As Ryan Red Corn, the Osage member of the 1491s, says: "The American narrative dictates that Indians are supposed to be sad. It's not really true and it's not indicative of the community experience itself...Laughter and joy is very much a part of Native culture." Featuring dozens of original interviews and the exhaustive research that is Nesteroff's trademark, We Had a Little Real Estate Problem is a powerful tribute to a neglected legacy.

Paula Deen meets Erma Bombeck in The Pioneer Woman Cooks, Ree Drummond's spirited, homespun cookbook. Drummond colorfully traces her transition from city life to ranch wife through recipes, photos, and pithy commentary based on her popular, award-winning blog, Confessions of a Pioneer Woman, and whips up delicious, satisfying meals for cowboys and cowgirls alike made from simple, widely available ingredients. The Pioneer Woman Cooks—and with these "Recipes from an Accidental Country Girl," she pleases the palate and tickles the funny bone at the same time.
