The NAACP Image Award-winning mayor of Washington, D. C., chronicles his life from his youth in the cotton fields of Mississippi through his efforts in the executive offices of the nation's Capital, covering such topics as his work as a civil rights activist, the drug scandal that led to his stint in federal prison and his victorious fourth term.

The surprising story of how wrestling superstar Glenn "Kane" Jacobs beat all the odds to become the mayor of Knox County, Tennessee. Even in his heyday in wrestling, Jacobs was inspired to pursue politics by popular libertarian figures such as former Republican presidential candidate Ron Paul, Republican Senator Rand Paul, Fox News' Judge Andrew Napolitano and others, and that led him to fulfill his own political ambitions. Before becoming Mayor Kane, Glenn "Kane" Jacobs was one of WWE's top Superstars for over two decades and traveled the globe with the likes of "Stone Cold" Steve Austin, Dwayne "The Rock" Johnson, John Cena, Ric Flair, and many others. He dominated the WWE with The Undertaker as the "Brothers of Destruction." Kane reinvented himself with the help of Daniel Bryan forming "Team Hell No." He set "Good ol' JR," Jim Ross on fire. The wrestler-turned-politician hasn't hung up his wrestling boots yet. Politics is a contact sport and Jacobs is using his wrestling skills in that arena. Jacobs supports President Trump and his agenda, and is implementing conservative policies in Tennessee.

Welcome to the City made from a dream. But this isn ' t any dream; it is the dark and haunting nightmare of a killer. It is the near future and old-fashioned movies, or " flatties " , have been replaced by Dreams, virtual reality scenarios written by professional Dreamers. When infamous criminal Truro Daine escapes imprisonment, he flees into the City, an artificial world of his own creation, where he rules as the all-powerful Night Mayor. Now, detective Dreamer Tom Tunney and Susan Bishopric, author of romance Dreams, must join forces to track him down. But how do you hunt the Night Mayor in a city populated by a dense crowd of strangely familiar characters, where it ' s always two-thirty in the morning, shots never kill and the creator is omnipresent in every drop of falling rain...?

In 2007, after serving almost fifteen years on the Philadelphia City Council, Michael A. Nutter became the ninety-eighth mayor of his hometown of Philadelphia. From the time he was sworn in until he left office in 2016, there were triumphs and challenges, from the mundane to the unexpected, from snow removal, trash collection, and drinkable water, to the Phillies' World Series win, Hurricane Irene, Occupy Philadelphia, and the Papal visit. By the end of Nutter's tenure, homicides were at an almost fifty-year low, high-school graduation and college-degree attainment rates increased significantly, and Philadelphia's population had grown every year. Nutter also recruited businesses to open in Philadelphia, motivating them through tax reforms, improved services, and international trade missions. Mayor begins with Nutter's early days in politics and ultimate run for mayor, when he formed a coalition from a base of support that set the stage for a successful term. Transitioning from campaigning to governing, Nutter shares his vast store of examples to depict the skills that enable a city politician to lead effectively and illustrates how problem-solving pragmatism is essential for success. W ith a proven track record of making things work, Nutter asserts that mayoring promises more satisfaction and more potential achievements—for not only the mayor but also the governed—than our fractious political system would have us believe. Detailing the important tasks that mayoral administrations do, Nutter tells the compelling story of a dedicated staff working together to affect positively the lives of the people of Philadelphia every day. His anecdotes, advice, and insights will excite and interest anyone with a desire to understand municipal government.

Rob Ford—the most ridiculed and scandal-ridden mayor—is an international celebrity. When the photo of him smoking crack cocaine circulated, garnering billions of hits, it was the icing on the cake. Ford, not just the favorite buffoon of late-night comics and journalists, was also a known alcoholic and the subject of legal, political, and police investigations—stripped of his mayoral powers by Toronto ' s City Council and a star subject in a murder investigation. Here for the first time, Ford ' s former chief of staff Mark Towhey, who tried to wrangle Ford during his highly public meltdown, comes clean, filling in incredible behind-the-scenes details previously unknown and providing invaluable context. With this highly anticipated and much-talked-about tell-all, we go deep into Ford ' s personal life, including his addictions and his rivalry with his brother; we watch him as he runs Toronto; we overhear hair-raising late-night phone calls and see private, after-hours events; and we also get the much-gossiped-about but little-known account of Towhey ' s desperate struggle to protect the mayor from himself. This juicy read is, like Ford, political candy, but it doesn ' t expose Ford for the sake of ridicule—it empathizes with him and explains him. It provides a fascinating portrait of twenty-first-century urban politics, as well as a character study of a larger-than-life personality, a mayor so colorful that he remains in office as a councillor and—despite it all—may one day become mayor again.

Rosa Lee Pack never planned to have anyone call her "Mayor" - and she never expected her home (even with her granddaughter's \$50,000 play house in the front yard, which is featured on the cover) to be the epicenter of what some would call "Nut Valley." Surrounded by a cast of characters which include an Official Millionaire, a City Clerk, some Five-Minute Neighbors, a Dairy Queen Kid, and a husband who has encouraged her to build more homes than most city planners, this Mayor is right at home. You'll be introduced to them one-by-one, as they take you on cross-country motorcycle rides, to a fast-food restaurant in a limo, and along the yellow brick road on a freight train. Along the way, you might just learn a lesson or two about life, love, and all of the chaos that comes with both of them. . . . assuming the van doesn't catch on fire again. Filled with stories that will make you laugh and nod your head as you recognize your own eccentric friends and relatives, Mayor of Nut Valley: Managing Life's Nonsense will keep you wondering what the Mayor and her cohorts will be up to next. And wishing you could move in, if not next door, then at least just down the block a safe distance away.

When Mitch Landrieu addressed the people of New Orleans in May 2017 about his decision to take down four Confederate monuments, including the statue of Robert E. Lee, he struck a nerve nationally, and his speech has now been heard or seen by millions across the country. In his first book, Mayor Landrieu discusses his personal journey on race as well as the path he took to making the decision to remove the monuments, tackles the broader history of slavery, race and institutional inequities that still bedevil America, and traces his personal relationship to this history.

A biography of Harvey Milk, the first openly gay city official in the nation, recounts his public and personal life, and examines the emergence of the San Francisco gay community as a social and political force.

"The best book ever written about an American city, by the best journalist of his time. " — Jimmy Breslin New edition of the classic story of the late Richard J. Daley, politician and self-promoter extraordinaire, from his inauspicious youth on Chicago ' s South Side through his rapid climb to the seat of power as mayor and boss of the Democratic Party machine. A bare-all account of Daley ' s cardinal sins as well as his milestone achievements, this scathing work by Chicago journalist Mike Royko brings to life the most powerful political figure of his time: his laissez-faire policy toward corruption, his unique brand of public relations, and the widespread influence that earned him the epithet of " king maker. " The politician, the machine, the city—Royko reveals all with witty insight and unwavering honesty, in this incredible portrait of the last of the backroom Caesars. New edition includes an Introduction in which the author reflects on Daley ' s death and the future of Chicago.

A memoir by a member of the Incredible String Band that charts a journey from hippie utopia to post-Woodstock implosion. Between 1967 and 1971 Rose Simpson lived with the Incredible String Band (Mike Heron, Robin Williamson and Licorice McKechnie), morphing from English student to West Coast hippie and, finally, bassist in leathers. The band's image adorned psychedelic posters and its music was the theme song for an alternative lifestyle. Rose and partner Mike Heron believed in, and lived, a naive vision of utopia in Scotland. But they were also a band on tour, enjoying the thrills of that life. They were at the center of "Swinging London" and at the Chelsea Hotel with Andy Warhol's superstars. They shared stages with rock idols and played at Woodstock in 1969. Rose and fellow ISB member Licorice were hippie pin-ups, while Heron and Robin Williamson the seers and prophets of a new world.
