NCLEX Review Made Simple: A Thousand Points of Light: Addae, Rn Paul K: 9781438910383: Books - Amazon.ca

"Poetry for all Seasons" accomplishes four goals, all in one neat package. It serves as: 1. A textbook for teaching traditional and modern poetic genres 2. A resource book for all teachers 3. A poetic guide for emerging poets 4. Pleasure reading for ALL members of the family. Poetry is one of the ways teachers have at their disposal for integrating concepts across Language Arts, Social Studies, Business Studies, Natural Sciences, Natural History, Mathematics, Home Economics, Health and Family Life, Movement and Dance. In this book, teachers are sure to find themes easily extracted from poems as listed below: Aging Animals Birds Celebrations Communications Death

This is an NCLEX Review Book for nurses who are preparing for the licensure examination and want a simple, fast and easy way to study for the NCLEX Exam.

NCLEX-RN REVIEW MADE INCREDIBLY EASY, 6E is designed to help nursing students prepare to take the licensing examination. The book blends critical content review in an easy-to-follow and bulleted format, pharmacology tables that summarize core medication information, and thousands of questions covering all the Client Need categories of NCLEX and the major content areas of pre-licensure programs. The product reviews core curriculum concerns and more than 3,000 questions that prompt active learning and higher-order thinking. Questions align with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, and information about the NCLEX-RN. An accompanying code gives student access to a 7-day free trial of Lippincott PassPoint-RN.

NCLEX-RN QUESTIONS & ANSWERS MADE INCREDIBLY EASY!, 7E is designed to help pre-licensure nursing students prepare for the licensing examination. This book and its accompanying electronic resources feature thousands of questions at the application level or above to prompt active learning and higher-order thinking. The book's seven parts cover the basics of NCLEX test construction and how students should prepare, the four major content areas of pre-licensure programs (medical-surgical, psychiatric/mental health, maternity, and pediatrics), a section on issues in nursing, and three comprehensive tests of varying lengths that help simulate the actual NCLEX experience. The questions align with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan. Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience. Other features include the use of all the types of alternate-format questions and detailed rationale for both correct and incorrect answers.

Master the Pharmacology Concepts You'll Encounter on Your Licensure Exam! Reinforce your understanding and ready yourself for success with this comprehensive review of critical pharmacology content covered on the NCLEX-RN®. Lippincott® Pharmacology Review for NCLEX-RN® summarizes core medication classes and their associated conditions in an easy-to-use format accompanied by ample practice questions to help you excel on your exams and make a confident transition to clinical practice. Streamlined, bulleted format reinforces key information at a glance. NCLEX-style review questions test your retention of essential concepts and familiarize you with the exam experience. Detailed answer key offers instant remediation including full rationales, Bloom's Taxonomy levels and Client Need categories for each question. Free 7-day Lippincott® PassPoint trial provides personalized, adaptive online test preparation to enhance your test-taking confidence.

This new NCLEX-PN review book provides both a succinct Content Review and more Q&A than any other NCLEX-PN review book. Each chapter opens with a Content Refresher, providing an overview of key information on each topic---it summarizes what is really important for

NCLEX review. This is followed by high-quality Q&A, answers, and detailed Rationales, fully updated with the latest NCLEX-PN test plan. The book opens with a discussion of studying and test-taking strategies and describes the exam format in detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, care of the child, and coordinated care. The book also includes comprehensive examinations with answers, rationales, and client-needs information at the end of each answer. The new Graphic Option questions and Audio questions are also included. The online site provides 1,000 questions and answers in an interactive format that mirrors the NCLEX-PN exam. All the material is presented in the proven format of the Incredibly Easy series. Students will discover the stress-free way to study for NCLEX-PN. The format helps them actually enjoy learning, stay motivated, and improve their performance. Content, strategies, and Q&A---everything a student could want in an NCLEX review.

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

This study guide makes NCLEX review more interesting, enjoyable, and concise. Every area of nursing is completely reviewed, including adult care, pediatric care, and professional issues. The accompanying e-learning download offers 3,250 additional practice questions.

Ace the NCLEX-RN exam with this comprehensive guide The rigorous NCLEX-RN nursing exam can be painful—and many don't pass on the initial attempt. So why not beat the odds and drastically improve your chances of acing your first time with NCLEX-RN For Dummies, 2nd Edition with Online Practice? This fully updated and revised edition is tracked to the latest NCLEX-RN exam, and comes complete with deep content review, study tips, and top test-taking strategies. You also get access to online flashcards and two practice exams with answer explanations to flesh out your technique and study. Practice with hundreds of test questions Go online for vocabulary flashcards and practice exams Find full coverage of the medical, surgical, pediatric, psychiatric, and obstetric subjects schools require for the test Written by an instructor with 38 years of hands-on nursing practice under her belt, this popular, plain-English exam prep is best-in-class and will deliver the results you want—the first time.
