One Good Deed is based on the Jewish concept of Tikkun Olam (repairing the world) by performing acts of kindness. It recalls a story of a young boy who lives in a street where everything is "dark and gloomy" and the neighbours "don't smile at each other...or talk to each other... or help each other".

~~ONE GOOD DEED | Kirkus Reviews~~

"One Good Deed" is Erin McHugh's account of how she spent one year doing at least one good deed per day. The 'good deed' in question didn't have to be something big or elaborate - it could be something as simple as calling up a friend to let them know she was thinking of them, handing over a cup of coffee to somebody in need, or even just biting her tongue and letting something go.
