The Cost of Discipleship is one of the bestselling titles on the SCM Classics list and one of the classics of modern theology. Perhaps Dietrich Bonhoeffer's most radical book, this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 50 years. 50 years after its first publication, the book is reintroduced to readers of our time by Stephen Plant, Dean of Trinity Hall, Cambridge and one of the leading Bonhoeffer scholars of our time.

A volume comparable in style to Cliff's Notes, here highlighting the key points from Bonhoeffer's The Cost of Discipleship.

In 1937, on the threshold of Nazi Germany's war on the world, Dietrich Bonhoeffer wrote what turned out to be one of the most influential books of the century, The Cost of Discipleship. In it, he challenged the flabby faith and compromises of German Christians, famously writing, "When Christ calls a man he bids him come and die." Now, seventy-three years after the book was first published, Jon Walker writes Costly Grace: A Contemporary View of Dietrich Bonhoeffer's The Cost of Discipleship. Walker brings to a new generation the timeless message of Bonhoeffer against the background of today's political upheaval and societal change and what it means to those who claim to follow Christ's teachings.

"Cheap grace is the mortal enemy of our church. Our struggle today is for costly grace." And with that sharp warning to his own church, which was engaged in bitter conflict with the official Nazified state church, Dietrich Bonhoeffer began his book Discipleship (formerly entitled The Cost of Discipleship). Originally published in 1937, it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government. At its center stands an interpretation of the Sermon on the Mount: what Jesus demanded of his followers—and how the life of discipleship is to be continued in all ages of the post- resurrection church. "Every call of Jesus is a call to death," Bonhoeffer wrote. His own life ended in martyrdom on April 9, 1945. Using the acclaimed DBWE translation, adapted to a more accessible format, this new edition features supplemental material from Victoria J. Barnett and an insightful introduction by Geffrey B. Kelly to clarify the theological meaning and social context of this attempt to resist the Nazi ideology.

Shepherd's notes helps readers better learn the books of the Bible and Christian classic writings in a concise and easy-to-understand format.
