Originally published: London: Allen Lane, 1977.

Richard Adams 's Watership Down was a number one bestseller, a stunning work of the imagination, and an acknowledged modern classic. In Shardik Adams sets a different yet equally compelling tale in a far-off fantasy world. Shardik is a fantasy of tragic character, centered on the long-awaited reincarnation of the gigantic bear Shardik and his appearance among the half-barbaric Ortelgan people. Mighty, ferocious, and unpredictable, Shardik changes the life of every person in the story. His advent commences a momentous chain of events. Kelderek the hunter, who loves and trusts the great bear, is swept up by destiny to become first devotee and then prophet, then victorious soldier, then ruler of an empire and priest-king of Lord Shardik—Messenger of God—only to discover ever-deeper layers of meaning implicit in his passionate belief in the bear 's divinity.

WINNER of the Emmy Award for Outstanding Special Class Animated Program Now a Netflix animated miniseries starring James McAvoy, Nicholas Hoult, and Oscar and Grammy award-winner Sir Ben Kingsley. A worldwide bestseller for more than forty years, Watership Down is the compelling tale of a band of wild rabbits struggling to hold onto their place in the world— “ a classic yarn of discovery and struggle ” (The New York Times). Richard Adams 's Watership Down is a timeless classic and one of the most beloved novels of all time. Set in the Hampshire Downs in Southern England, an idyllic rural landscape, this stirring tale of “ suspense, hot pursuit, and derring-do ” (Chicago Tribune) follows a band of rabbits in flight from the incursion of man and the destruction of their home. Led by a stouthearted pair of brothers, they travel forth from their native Sandleford warren through harrowing trials to a mysterious promised land and a more perfect society. “ A marvelous story of rebellion, exile, and survival ” (Sunday Telegraph) this is an unforgettable literary classic for all ages.

Richard Adams, author of 'Watership Down' and described recently as a legend of literature, was born in Newbury in 1920 as the replacement for a baby brother who died in the great influenza epidemic of 1917-19. His mother was well over 40 at the time of his birth, and his was a solitary childhood spent in a large garden. Here he explains how his days spent watching bird, beetles and wild creatures around his home engendered in him a lifelong love of nature. His years at prep and public school, at Oxford and in the army are all vividly described, and their influence on the recurrent themes in his writing of battle, leadership, friendship, bullying, solitude and longing made plain.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (novels not included). Pages: 29. Read Online Plague Dogs Adams Richard Penguin

their natural environment, they are anthropomorphised, possessing their own culture, language (Lapine), proverbs, poetry, and mythology. Evoking epic themes, the novel recounts the rabbits' odyssey as they escape the destruction of their warren to seek a place in which to establish a new home, encountering perils and temptations along the way. The novel takes its name from the rabbits' destination, Watership Down, a hill in the north of Hampshire, England, near the area where Adams grew up. The story is based on a collection of tales that Adams told to his young children to pass the time on trips to the countryside. Published in 1972, Watership Down was Richard Adams' first novel, and is by far his most successful to date. Although it was initially rejected by thirteen publishers before eventually being accepted by Rex Collings Ltd, Watership Down has never been out of print, and was the recipient of several prestigious awards. Adapted into an acclaimed classic film and a television series, it is Penguin Books' best-selling novel of all time. In 1996, Adams published Tales from Watership Down, a follow-up collection of 19 short stories about El-ahrairah and the rabbits of the Watership Down warren. Watership Down began as a story Richard Adams told to his two daughters, Juliet and Rosamond, on a long car journey; in an interview, Adams said he "began telling the story of the rabbits ... improvised off the top of my head, as we were...

A powerful saga of suffering, fire and war, as Shardik, the giant bear brings truth to the land Ortelgans.

Fiver could sense danger. Something terrible was going to happen to the warren - he felt sure of it. So did his brother Hazel, for Fiver's sixth sense was never wrong. They had to leave immediately, and they had to persuade the other rabbits to join them. And so begins a long and perilous journey of a small band of rabbits in search of a safe home. Fiver's vision finally leads them to Watership Down, but here they face their most difficult challenge of all... Watership Down is an epic journey, a stirring tale of adventure, courage and survival against the odds.

The sequel to "Watership Down" chronicles the lives of the rabbits after their defeat of General Woundwort, from the exploits of El-ahrairah, the mythical rabbit hero, to the adventures of Hazen, Fiver, Bigwig, and their friends.
