Cap452 - Aeronautical Radio Station Operator ' s Guide

Today I wrote the examination for my (RIC-21) Restricted Operator Certificate with Aeronautical Qualification. In plain English it is a License that allows me to broadcast on a radio frequency. This certificate is issued by Industry Canada and is a requirement for the Canadian Private Pilot License. I downloaded the study guide and read it three or four times and then supplemented what I had learned with a powerpoint and video obtained from my online ground school.
