Release It!: Design and Deploy  
Production-Ready Software ...  
While both aspects of Design and  
Deployment are most often handled

# Online Library Release It Design And Deploy

Production Ready Software  
in separate books you seem to concentrate on glueing them together in one book. Personally I have some weakness in the Deployment part or better said in the release stuff. However I think creating a good Design is much tougher to achieve than a process of release management. Simply because to my opinion Design is an art while the release management is a (also tough) one-time discipline.
