Retail Marketing Plan Template - Word | Google Docs

...

Retail marketing is the tactics and strategy of promoting your business and products to consumers. The traditional retail marketing definition – a product, at a price, being promoted and then sold from a place of business – has given way to a more consumer-focused model. And the retail marketing strategy has changed to keep pace.

An effective strategy for your retail marketing plan

A retail marketing strategy is a plan to using marketing tools—digital or otherwise—to get customers into a store and buying a product. This kind of strategy is particularly useful for marketing ideas for small retail business, who don't have the far-reaching resources of corporate juggernauts.
