Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Historical Dictionary of the Philippines, Third Edition contains a chronology, an introductory essay, an extensive bibliography, and several hundred cross-referenced dictionary entries.

America's past is full of politics as well as personal stories. That's why Conlin's **THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY** teaches history the way it happened: real people with real stories. Through short narratives from political figures' lives, you'll discover how our nation grew from a colonial project to an international superpower. Along the way, you'll find the human dimension emphasized with the stories of men and women of different regional, socioeconomic, and ethnic backgrounds described in colorful detail. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Shaped with a clear political chronology, **MAKING AMERICA** reflects the variety of individual experiences and cultures that comprise American society. The book's clear and helpful presentation speaks directly to students, sparking their curiosity and inviting them to “do history” as well as read about it. For instructors whose classrooms mirror the diversity of today's college students, the strongly chronological narrative, together with visuals and an integrated program of learning and teaching aids, makes the historical content vivid and comprehensible to students at all levels of preparedness. Available in the following split options: **MAKING AMERICA**, Seventh Edition (Chapters 1-29), ISBN: 978-1-285-19479-0; Volume I: To 1877 (Chapters 1-15), ISBN: 978-1-285-19480-6; Volume II: Since 1865 (Chapters 15-29), ISBN: 978-1-285-19481-3. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

MAKING AMERICA: A HISTORY OF THE UNITED STATES, BRIEF SIXTH EDITION, presents history as a dynamic process shaped by human expectations, difficult choices, and often the surprising consequences. With this focus on history as a process, **MAKING AMERICA** encourages readers to think historically and to develop into citizens who value the past. The clear chronology, straightforward narrative, and strong thematic structure emphasize communication over intimidation and appeal to readers of varied learning levels. The Brief Sixth Edition retains a hallmark feature of the **MAKING**

AMERICA program: pedagogical tools that allow readers to master complex material and enable them to develop analytical skills. Every chapter has chapter outlines, chronologies, focus questions, and on-page glossaries (defining both key terms and general vocabulary) to provide guidance throughout the text; the open, inviting design allows readers to access and use pedagogy to improve learning. A wealth of images throughout provides a visual connection to the past, with captions that help readers analyze the subject of the painting, photograph, or artifact from an historical point of view. Investigating America gets to the heart of learning history: reading and analyzing primary sources. A new feature, In The Wider World introduces a global perspective for each chapter. In addition, a new map program provides clear, visually engaging maps with globe insets to put the map in a global context. Available in the following split options: MAKING AMERICA, Brief Sixth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Some programs include also the programs of societies meeting concurrently with the association.

This "thesaurus of slang" contains more than 9,000 expressions. Entries are illustrated by at least two English sentences each and are organized by topic, which makes finding the right expression quick and easy. Includes an alphabetical index.

About the Book "Customize...don't minimize...Your Retirement" is a self-help guide to assist you in mapping out your journey into the retirement years. No longer does retirement mean just "kick-back" and lead the leisure life. Most of us would not feel fulfilled by doing little. Careers typically have given us a sense of purpose. Perhaps, because of this, about 80% of Boomers state that they will be working in some capacity during their retirement years. In retirement, we want to continue having a life filled with enjoyment; but also, one of purpose and a feeling of being valued by others. Given that the transition into retirement is an individualized journey, it deserves your personal attention to make it "all it can be." Life can be complicated and retirement will involve new challenges, as well as opportunities for change. Whether it is relationships with spouse and others; what to do with your time; creating a new identity; working, not working or changing careers; making health and housing choices; or managing the financial potholes; this very readable book, containing many unique and thought-provoking exercises, is guaranteed to help you focus and create ways to build a happier future.
