The Scottish SUP Guide is the ultimate Guide to Where to Paddle in Scotland. With detailed descriptions, photos, Google Co-ordinates and local information, its the ideal introduction to SUP in Scotland. This is the first ever Paddleboarding (SUP) guide and book about Scotland. Many years of local knowledge have gone into producing this guide, highlighting some of Scotland's best locations. It includes locations for Surfing, Touring and Whitewater and on Loch, Rivers and Coastline.Whether you are a beginner wanting to know where to go or an expert wanting to hit the best spots, this book is for you.

A wealth of information on the wildlife, stories and history of the islands.For those wishing to visit in small boats or kayaks there are details of:? Landings? Camping? Drinking water? Tidal informationOileain is a detailed guide to almost every Irish offshore island. The guide is comprehensive, describing over 300 islands, big and small, far out to sea and close in by the shore, inhabited and uninhabited. Oileain tells it as it is, rock by rock, good and bad, pleasant and otherwise. It concentrates on landings and access generally, then adds information on camping, drinking water, tides, history, climbing, birds, whales, dolphins, legends or anything else of interest.Oileain will, I hope, appeal to all who go to sea in small boats, divers and yachtsmen as well as kayakers. The sheer level of detail contained in Oileain must surely throw new light on places they thought they knew well. It is not a book about kayaking. It so happens that a practical way of getting to islands is by kayak, and that is how the author gets about. Scuba divers and RIBs get in close too. Yachtsmen get about better than most, and they too enjoy exploring intensively from a dinghy. With the increasing availability of ferries, boatless people will also enjoy Oileain. Offshore islands are the last wilderness in Ireland. Hillwaking is now so popular that there are few untrampled mainland hills. Ninety per cent of offshore islands are uninhabited outside of the first fortnight in August, and eighty per cent even there. You won't meet many other people, if any at all, out beyond an Irish surf line. It is a time of change though, and holiday homes are very much the coming thing in some offshore areas. Sea going will never stop being a great adventure. Therefore, offshore islands are still the preserve of the very few. Now is a golden era for exploration.

Your search for the right word in French is over Stop hunting blindly through ordinary bilingual dictionaries! From current affairs to shopping, travel to romance, Must-Know French gives you instant access to the precise word you need when you need it. You'll never be at a loss for words again . . . in the classroom la dissertation (essay) la calculatrice (calculator) . . . at the office la t é l é copieuse (fax machine) l ' augmentation (pay raise) . . . when talking about the environment l ' habitat (habitat) l ' effet de serre (greenhouse effect) . . . when discussing politics l ' immigration (immigration) le pouvoir ex é cutif (executive power) . . . while out shopping le remboursement (refund) de tous les jours (casual)

Scotland's west coast is an undisputed world-class sea kayaking destination. This book challenges the reader to kayak a 500km route, from the Isle of Gigha off the Kintyre peninsula, to the Summer Isles near Ullapool. It can be undertaken in four holiday-sized sections or as one long, glorious journey. The emphasis is on practical advice; how to tackle tricky tidal passages; places to visit; where to source essential information; food re- supply; where to safely leave kayaks overnight; how and when to shuttle vehicles; and the accessibility of public transport. Although camping is an essential element of this journey the book does not identify wild camp sites or even picnic places. It gives sea kayakers enough information to seek out their own adventures and so spread the environmental impact. The history of this country is inextricably linked to the west coast, from the Scoti to the Norsemen, the Lords of the Isles to the Clearances. An historical thread, woven through the text, tells 'Scotland's Story'. There are useful photographs and notes to help identify wildlife without disturbance, plus practical recommendations on wild camping, from minimum impact techniques to Scottish access law. For those who travel the trail in the comfort of their armchairs, there's also the story of the author's own journey. Together you will travel under big skies on imposing seas in the company of seals, dolphins, eagles and gulls. The Scottish Sea Kayak Trail is waiting for you.

Cet ebook est une version num é rique du guide papier sans interactivit é additionnelle. Le Routard, le meilleur compagnon de voyage depuis 45 ans. Dans cette nouvelle é dition du Routard La R é union (+ randonn é es et plong é es) vous trouverez une premi è re partie en couleurs avec des cartes et des photos, pour d é couvrir plus facilement l ' î le et rep é rer nos coups de cœur ; des suggestions d ' itin é raires et des informations pratiques pour organiser votre s é jour ; des adresses souvent introuvables ailleurs ; des visites culturelles originales en dehors des sentiers battus ; des infos remises à jour chaque ann é e et plus de 30 cartes et plans d é taill é s.
