What does it mean to make a difference? It means challenging ourselves every day to make the world better, in small ways and large. Today, it's more important than ever that we show our students what it means to be citizens of this nation - that respect, caring, responsibility, fairness, courage, and honesty are the pillars that make us strong. Scott Foresman Social Studies helps you make a difference. With rich content that captures students' imaginations and built-in reading and vocabulary instruction, your students will not only be learning, they'll be preparing for success on high-stakes state and national tests. Plus, exciting lessons from Colonial Williamsburg, the nation's largest living history museum, give your students unique opportunities to connect with the past. Take a look and you'll see that Scott Foresman Social Studies truly makes a world of difference! Freedom to read and succeed. Freedom to learn. Freedom to act. Freedom to teach. Scott Foresman...Teaching Freedom.

vocabulary instruction, your child will not only be learning, he'll be preparing for success while learning the responsibilities of citizenship at every grade level. Captivate your child with numerous colorful visuals and activities that will engage their interest in social studies. Connect, Experience, Understand Connecting is all about activating prior knowledge and jumpstarting your child's journey into social studies. Essential Questions help students see the "big ideas" they're learning about, and activate prior knowledge. They allow students to engage in an active discussion of what they already know about the topic, but also encourage them to think further. Scott Foresman Social Studies offers a variety of ways for your child to think critically about key concepts so they actively experience the world they live in. Developing true understanding means that students don't simply memorize facts, dates, and places. It means taking what they've learned and transferring that knowledge to new content, situations, ideas, and to their own lives. The goal is to help students become successful learners who will remember not only what they have learned, but how to learn more!

Like you we know that time is a precious commodity these days with packed schedules, testing requirements, and more.
