Sins of the Demon is the exciting fourth installment of the Kara Gillian series.

She's as tough as anything haunting Chicago's streets. But to deal with an inhuman power that won't stay buried, this FBI agent needs help that comes at an immortal price. . . Jackie Rutledge has seen her share of supernatural killers. But her latest murder case is what recurring nightmares are made of. Brutally exsanguinated human victims, vanishing-into-the-ether evidence, and a city on the edge of panic mean that she and her psychic partner, Laurel, are going to need more than just backup . . . So Jackie is fine with any help rugged P.I. Nick Anderson can give--even if that includes the impish ghost and sexy vampire who make up his team. But Nick is hiding secrets of his own. And Jackie's investigation has plunged them both into a vengeful game reaching back centuries--and up against a malevolent force hungry for more than just victory. . . "Bloody, delicious, twisted." --Lilith Saintcrow, New York Times bestselling author of the Jill Kismet, Hunter series "A very impressive debut. . .the earthly and the

unearthly mingle horrifyingly in this brand new twist on vampire mythology." --John Russo, author of Undead "Duncan's deftly subtle debut creeps up on you like a ghost in the night." --Mark Henry, author of Happy Hour of the Damned

Investigating the theft of an old samurai sword forged by a legendary smith who infused the weapon with magical powers, Tokyo police officer Mariko Oshiro finds herself threatened by the power of the blade in unexpected ways.

She was an angel at the gates of Hell. When Kenan, an incubus, finds a caged angel for sale in the Hellsgate marketplace, he sees her as a challenge. Certain that his skills in seduction will work as well on a heavenly creature as they do on mortal women, he buys Jahel, intent on having her soul as a novelty in his collection. Knowing he must gain Jahel's trust if she is to come to his bed willingly, Kenan treats her more as his guest than as his slave. When she reveals what brought her to the mouth of Hell in the first place—retrieving the soul of a young girl she was guarding—he even offers to help her complete her mission. Though he has promised Jahel freedom, Kenan soon realizes she has captured his heart instead. And as their passion for one another grows, they find themselves caught in a struggle between Heaven and Hell, one that will lead them to the very edge of the apocalypse... 26,000 words

Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctively gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to modern fiction and political propaganda. They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and complex significance as "others" to the Japanese.

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that

Download File PDF Sins Of The Demon Kara Gillian 4 Diana Rowland

he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.

I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

THE ordinary fields of psychological inquiry, largely in possession of the pathologist, are fringed by a borderland of occult and dubious experiment into which pathologists may occasionally venture, but it is left for the most part to unchartered explorers. Beyond these fields and this borderland there lies the legendary wonder-world of Theurgy, so called, of Magic and Sorcery, a world of fascination or terror, as the mind which regards it is tempered, but in either case the antithesis of admitted possibility. There all paradoxes seem to obtain actually, contradictions coexist logically, the effect is greater than the cause and the shadow more than the substance. Therein the visible melts into the unseen, the invisible is manifested openly, motion from place to place is accomplished without traversing the intervening distance, matter passes through matter. There two straight lines may enclose a space; space has a fourth dimension, and untrodden fields beyond it; without metaphor and without evasion, the circle is

Download File PDF Sins Of The Demon Kara Gillian 4 Diana Rowland

mathematically squared. There life is prolonged, youth renewed, physical immortality secured. There earth becomes gold, and gold earth. There words and wishes possess creative power, thoughts are things, desire realises its object. There, also, the dead live and the hierarchies of extra-mundane intelligence are within easy communication, and become ministers or tormentors, guides or destroyers, of man. There the Law of Continuity is suspended by the interference of the higher Law of Fantasia. But, unhappily, this domain of enchantment is in all respects comparable to the gold of Faerie, which is presumably its medium of exchange. It cannot withstand daylight, the test of the human eye, or the scale of reason. When these are applied, its paradox becomes an anticlimax, its antithesis ludicrous; its contradictions are without genius; its mathematical marvels end in a verbal quibble; its elixirs fail even as purges; its transmutations do not need exposure at the assayer's hands; its marvel-working words prove barbarous mutilations of dead languages, and are impotent from the moment that they are understood; departed friends, and even planetary intelligences, must not be seized by the skirts, for they are apt to desert their draperies, and these are not like the mantle of Elijah.

Horror meets humorous urban fantasy in second book of the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford is finally starting to get used to life as a brain-eating zombie, but her problems are far from over. Her felony record is coming back to haunt her, more zombie hunters are popping up, and she's beginning to wonder if her hunky cop-boyfriend is involved with the zombie mafia. Yeah, that's right—the zombie mafia. Throw in a secret lab and a lot of conspiracy, and Angel's going to need all of her brainpower—and maybe a brain smoothie as well—in order to get through it without falling apart.

Horror meets humorous urban fantasy in the sixth book in the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford has finally pulled herself together (literally!) after her disastrous dismemberment on Mardi Gras. She's putting the pieces of her life back in order and is ready to tackle whatever the future holds. Too bad the future is a nasty bitch. There's a new kind of zombie in town: mindless shamblers, infectious and ravenous. With the threat of a full-blown shambler pandemic looming, and a loved one stricken, Angel and the “real” zombies scramble to find a cure. Yet when Angel uncovers the true reason the plague is spreading so quickly, she adds “no-holds-barred revenge” to her to-do list. Angel is busting her ass dealing with shambling hordes, zombie gators, government jerks, and way too many mosquitos, but this white trash chick ain't giving up. Good thing, since the fate of the world is resting on her undead shoulders.

Thirteen-year-old Fujiwara no Mitsuko, daughter of a noble family in the imperial court of twelfth
